4. SETUP

4.1. Battery Installation

Both the learning phone and the remote control require 2 x AAA batteries (not included). To install the batteries:

1. Locate the battery compartment on the back of each toy.
2. Using a screwdriver (not included), unscrew the small screw securing the battery compartment cover.
3. Remove the cover.
4. Insert 2 new AAA batteries, ensuring correct polarity (+/-).
5. Replace the battery compartment cover and secure it with the screw.

The screw-secured battery compartment is a safety feature designed to prevent children from easily accessing the batteries.

ULTRA FUN PLAYTIME FOR YOUR LITTLE ONES

Fulfill any little kids
dream to act like
their parents!

5. OPERATING INSTRUCTIONS

5.1. Power On/Off

- **Learning Phone:** Locate the ON/OFF switch on the side of the phone. Slide it to the 'ON' position to activate the toy. Slide to 'OFF' to conserve battery life.
- **Remote Control:** Press the power button (usually indicated by a power symbol) on the top left of the remote to turn it ON or OFF.

5.2. Using the Learning Phone

Once powered on, press any of the colorful icons on the screen to activate different sounds, numbers, or music. The phone will respond with corresponding audio feedback and flashing lights.

5.3. Using the Remote Control

After powering on, press the various buttons on the remote to explore its functions. Use the channel buttons to simulate changing TV channels, the volume buttons to adjust sound, and the number buttons for interactive counting and sound effects.

6. MAINTENANCE

- **Cleaning:** Wipe the toys with a soft, damp cloth. Do not immerse in water.
- **Storage:** Store in a cool, dry place away from direct sunlight.
- **Battery Care:** Remove batteries if the toy will not be used for an extended period to prevent leakage.

7. TROUBLESHOOTING

- **No Sound/Lights:**
 - Ensure the ON/OFF switch is in the 'ON' position.
 - Check if batteries are installed correctly with the correct polarity.
 - Replace with new batteries if current ones are depleted.
- **Intermittent Functionality:**
 - Replace batteries.
 - Ensure no foreign objects are obstructing buttons or speaker.
