# JBL Xtreme 2 Portable Waterproof Wireless Bluetooth Speaker - User Manual

Model: JBLXTREME2REDAM | Brand: JBL

## INTRODUCTION

The JBL Xtreme 2 is a robust and versatile portable Bluetooth speaker designed to deliver dynamic and immersive stereo sound. Engineered for both indoor and outdoor environments, it features a durable, waterproof design and a long-lasting battery, making it an ideal audio solution for various activities and settings.

## WHAT'S IN THE BOX

- JBL Xtreme 2 Speaker
- Power Adaptor
- Quick Start Guide
- Carrying Strap

## KEY FEATURES

- **Wireless Bluetooth Streaming:** Connect wirelessly to your smartphone or tablet for seamless audio playback.
- **Extended Playtime:** Enjoy up to 15 hours of continuous music playback on a single charge.
- **IPX7 Waterproof:** Designed to withstand submersion in water, making it perfect for poolside or beach use.
- **JBL Connect+:** Wirelessly link multiple JBL Connect+ enabled speakers to amplify your listening experience.
- **Integrated Speakerphone:** Take crystal-clear calls directly from your speaker with the touch of a button.
- **Dual Bass Radiators:** Experience powerful, deep bass that enhances your music.

- **USB Charge Out:** Conveniently charge your mobile devices directly from the speaker.

## SETUP GUIDE

### 1. Charging the Speaker

Before first use, fully charge your JBL Xtreme 2. The speaker is equipped with a 10,000mAh Li-ion battery, providing up to 15 hours of playtime. A full charge typically takes approximately 3.5 hours.

Figure 1: Front view of the JBL Xtreme 2 speaker, showcasing its robust design.

Figure 2: Rear view of the JBL Xtreme 2, highlighting the waterproof cover for charging and auxiliary ports.

Locate the waterproof flap on the back of the speaker. Open the flap and connect the provided power adaptor to the charging port. Plug the adaptor into a power outlet. The LED indicator lights will show the charging status.

## 2. Bluetooth Pairing

To connect your device to the JBL Xtreme 2 via Bluetooth:

1. Power on the JBL Xtreme 2 by pressing the power button on the top of the speaker.
2. Press the Bluetooth button (usually indicated by a Bluetooth symbol) on the speaker. The LED indicator will start blinking, indicating it's in pairing mode.
3. On your smartphone or tablet, go to Bluetooth settings and select "JBL Xtreme 2" from the list of available devices.
4. Once connected, the Bluetooth LED will glow solid, and you will hear an audible confirmation.

## OPERATING INSTRUCTIONS

### Basic Controls

The top panel of the JBL Xtreme 2 features intuitive controls for easy operation:

- **Power Button:** Press to turn the speaker on or off.
- **Volume Buttons (+/-):** Adjust the playback volume.
- **Play/Pause Button:** Press to play or pause audio.
- **Skip Track Button:** Double-press the Play/Pause button to skip to the next track.
- **Bluetooth Button:** Initiates Bluetooth pairing mode.

### JBL Connect+

Elevate your audio experience by wirelessly connecting multiple JBL Connect+ enabled speakers. Simply press the Connect+ button on all desired speakers to link them together for synchronized playback.

### Speakerphone Functionality

When connected to a smartphone, the JBL Xtreme 2 can be used as a speakerphone. Press the play/pause button to answer or end a call. The built-in microphone ensures clear communication.

### Using the Carrying Strap

The included carrying strap can be attached to the integrated hooks on the speaker for convenient portability. The strap also features a built-in bottle opener for added utility.

## MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the speaker. Do not use harsh chemicals or abrasive materials.
- **Waterproof Care:** Ensure the waterproof flap covering the ports on the back is securely closed before exposing the speaker to water. While IPX7 rated, prolonged submersion or exposure to high-pressure water jets is not recommended.
- **Storage:** Store the speaker in a cool, dry place when not in use. Avoid extreme temperatures.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
No Power	Battery is depleted.	Charge the speaker using the provided power adaptor.
Cannot connect via Bluetooth	Speaker is not in pairing mode; device's Bluetooth is off; interference.	Ensure speaker is in pairing mode (blinking Bluetooth LED). Turn device's Bluetooth off and on. Move closer to the speaker.
No Sound	Volume is too low; device's Bluetooth is off; speaker is muted.	Increase volume on both speaker and connected device. Ensure audio is playing on the device.
Poor Sound Quality	Bluetooth interference; low battery.	Move speaker closer to the device. Charge the speaker.
