Smoby Nature II Playhouse with Kitchen

INSTRUCTION MANUAL

Product Overview

The Smoby Nature II Playhouse with Kitchen is a vibrant and durable outdoor play structure designed to inspire imaginative play in children. This playhouse features a main house area, an integrated kitchen with accessories, and various openings like a door and windows, providing a realistic and engaging play environment. Made from robust plastic, it is built to withstand outdoor conditions.

Important Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury.

- This product is intended for family use only.
- Recommended for children aged 24 months and older.
- Adult supervision is required at all times when children are playing with the playhouse.
- Ensure the playhouse is assembled on a flat, stable surface away from hazards such as fences, trees, or other structures.
- Regularly inspect the playhouse for any loose parts, damage, or wear. Do not use if damaged.

Package Contents

The Smoby Nature II Playhouse with Kitchen includes one main playhouse unit and various accessories for the

integrated kitchen. Please ensure all components are present before beginning assembly.

Assembly Instructions

This product requires self-assembly. For optimal results and safety, it is highly recommended that two adults assemble the playhouse. Assembly typically takes approximately 2 hours.

1. Unpack all components and verify against the parts list provided in the manufacturer's manual (not included here).
2. Identify the main panels (walls, roof, floor) and the kitchen unit.
3. Follow the step-by-step diagrams in the manufacturer's manual to connect the panels securely. Ensure all locking mechanisms or screws are properly fastened.
4. Attach the roof, door, and window elements.

5. Install the kitchen unit and place the accessories as instructed.
6. Before allowing children to play, double-check all connections for stability and security.

Operating Your Playhouse

The Smoby Nature II Playhouse offers various interactive elements for children's enjoyment and development.

- **Door:** The playhouse features a functional door for easy entry and exit, encouraging role-play.
- **Windows:** Two windows allow light and air into the playhouse, and one features a functional shutter for interactive play.
- **Kitchen Area:** The integrated kitchen includes a sink, stove, and various accessories, promoting imaginative cooking and social play.

This playhouse is designed to foster imagination, encourage discovery of the environment, develop sharing skills and teamwork, provide entertainment, and introduce children to gardening concepts through play. It also helps in developing dexterity and agility.
