5. Operating Instructions

The Sluban M38-B0673 Lemans Car is a push-and-play model designed for imaginative play.

- **Movement:** The car operates in push mode. Simply push the car along a flat surface to make it move.
- **Interaction:** The included minifigure can be placed inside the cockpit for enhanced play scenarios.
- **No Batteries Required:** This model does not require batteries for operation.

6. Maintenance

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the assembled car or individual pieces in a clean, dry environment, away from direct sunlight and excessive heat, to preserve the plastic material and colors. The product features easy storage.
- **Disassembly:** If you wish to disassemble the model, carefully pull the pieces apart. Avoid excessive force to prevent damage.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing upon opening the package, please contact Sluban customer support with your product model number and a description of the missing parts.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly before applying pressure. Some new pieces may require a bit more force initially. If a piece consistently does not fit, double-check the instruction booklet to ensure you are using the correct part for that step.
- **Model Instability:** If the assembled model feels unstable, review the previous assembly steps in the instruction booklet to ensure all connections are firm and correct.
