Xiaomi MDZ-22-AB

Xiaomi Mi Box S Android TV Streaming Media Player

MODEL: MDZ-22-AB

Brand: Xiaomi

INTRODUCTION

Welcome to the user manual for your Xiaomi Mi Box S Android TV Streaming Media Player. This device is designed to enhance your home entertainment experience, offering access to a vast library of content and smart features. Powered by Android TV 8.1, it provides superior functionality for streaming movies, TV shows, and more in stunning 4K HDR quality. With Chromecast built-in and Google Assistant voice control, navigating and enjoying your favorite media has never been easier.

SETUP GUIDE

Follow these steps to set up your Xiaomi Mi Box S:

1. **Unpack the Device:** Carefully remove the Mi Box S, remote control, power adapter, and HDMI cable from the packaging.

2. **Connect to TV:** Connect one end of the HDMI cable to the HDMI port on your Mi Box S and the other end to an available HDMI input on your television.

3. **Connect Power:** Plug the power adapter into the DC input port on the Mi Box S, then plug the adapter into a power outlet.

4. **Power On:** Turn on your TV and select the correct HDMI input source. The Mi Box S should power on automatically.

5. **Pair Remote Control:** Follow the on-screen instructions to pair your Bluetooth remote control. Typically, this involves holding down specific buttons (e.g., Home and Back) until the remote pairs.

6. **Network Connection:** Connect the Mi Box S to your Wi-Fi network. You can easily transfer network details from a compatible Android phone or tablet using the Google app.

7. **Google Account Setup:** Sign in with your Google account to access the Google Play Store and personalize your experience.

OPERATING YOUR MI BOX S

User Interface and Navigation

The Mi Box S runs on Android TV, providing a user-friendly interface. The home screen displays recommended content, installed apps, and channels from various streaming services. Use the directional pad on your remote to navigate through menus and select items.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the Mi Box S. Do not use liquid cleaners or aerosol sprays.

- **Ventilation:** Ensure the device is placed in a well-ventilated area to prevent overheating. Do not block any ventilation openings.

- **Software Updates:** The Mi Box S will periodically receive software updates. Ensure your device is connected to the internet to receive these updates, which improve performance and add new features.

TROUBLESHOOTING

Problem	Possible Solution
No power/Device not turning on.	Check if the power adapter is securely connected to the device and the power outlet. Try a different power outlet.
No picture on TV.	Ensure the HDMI cable is securely connected to both the Mi Box S and the TV. Verify that your TV is set to the correct HDMI input source.
Remote control not responding.	Check the batteries in the remote control and replace them if necessary. Re-pair the remote control by following the setup instructions.
Buffering or poor streaming quality.	Check your internet connection speed. Move the Mi Box S closer to your Wi-Fi router or reduce interference from other wireless devices.
Apps crashing or freezing.	Restart the Mi Box S. Clear the cache for the problematic app in the device settings. Ensure the app is updated to its latest version.
