Lifestyle Solutions Grayson Sofa Instruction Manual

Model: HRFKS3BK | Brand: LIFESTYLE SOLUTIONS

Introduction

The Lifestyle Solutions Grayson button-tufted sofa is designed to be a central piece in your living room, offering charm and elegance. This sophisticated and comfortable seating option is crafted with attention to detail, ensuring quality for your home. Featuring rolled arms, it is an ideal choice for various living spaces, from studios to lofts. The Grayson sofa is known for its easy, tool-free assembly, allowing you to simply click components together for quick setup. It boasts a heavy-duty wood frame for durable support and complements modern, traditional, and contemporary styles. Whether for a home theater or to create a luxurious bedroom oasis, the Grayson sofa provides limitless design possibilities.

Setup and Assembly

The Lifestyle Solutions Grayson Sofa is engineered for straightforward, tool-free assembly. Follow these instructions to set up your sofa quickly and efficiently.

Unpacking

Carefully unpack all components from the box. Ensure all parts, including the main frame sections, cushions, and legs, are accounted for before proceeding with assembly.

Image: The Lifestyle Solutions Grayson Sofa in black, featuring three seat cushions and rolled arms, ready for use.

Image: A diagram illustrating the overall dimensions of the Grayson Sofa: 78.7 inches in length, 31.5 inches in width, and 32.7 inches in height.

Assembly Steps

1. **Connect Main Frame Sections:** Align the main sections of the sofa frame. These are designed to simply click together without the need for tools. Ensure each connection is fully engaged.
2. **Attach Side Pieces (Arms):** For the two side pieces (arms), it is crucial to slide them from the **bottom upwards** into their corresponding slots on the main frame. Attempting to slide them from the top down will not allow for proper fit. Having a second person assist with this step can be beneficial.
3. **Place Cushions:** Once the frame is assembled, place the thick seat cushions and the button-tufted back cushions onto the sofa.
4. **Install Legs:** The sofa legs are typically stored within a zippered compartment underneath the sofa for shipping. Retrieve them and securely screw them into the designated attachment points on the bottom of the sofa frame.

Operating Instructions

The Lifestyle Solutions Grayson Sofa is designed as a stationary seating furniture piece. No specific operational steps are required beyond its intended use for comfortable lounging and seating.

- **Seating Capacity:** This sofa is designed to comfortably accommodate up to 3 individuals.
- **Weight Limit:** The maximum weight capacity for this sofa is 450 pounds.
- **Cushion Firmness:** The cushions are designed with a firm feel, providing robust support and maintaining their shape.

Care and Maintenance

Following these care instructions will help maintain the appearance and extend the lifespan of your Grayson Sofa.

- **Regular Cleaning:** Vacuum the seat cushions, backrest, arms, and under the seat cushions occasionally using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills or stains, spot clean immediately. Use a dry cloth with mild soap and water, applying gentle pressure in circular motions.
- **Avoid Harsh Chemicals:** Do not use strong chemicals, abrasive cleaners, or bleach, as these can damage the microfiber upholstery.
- **Cushion Care:** Both seat and back cushions are removable. Fluff and rotate them periodically to help maintain their shape and even out wear.

Troubleshooting

If you encounter any issues with your Grayson Sofa, please refer to the following common solutions:

Problem	Possible Cause	Solution
Sofa feels wobbly or unstable.	Legs not securely attached or frame connections not fully engaged.	Verify that all legs are tightly screwed into their designated positions. Recheck all main frame and arm connections to ensure they are fully clicked into place.
Difficulty attaching side pieces/arms.	Incorrect sliding direction during assembly.	Ensure side pieces are slid from the **bottom upwards** into the frame slots. Do not attempt to push them down from the top.
Cushions appear flattened or misshapen over time.	Normal settling of foam fill due to use.	Fluff and rotate both seat and back cushions regularly to help maintain their shape and distribute wear evenly.

Specifications

Feature	Detail
Brand	LIFESTYLE SOLUTIONS
Model	HRFKS3BK
Color	Black
Material	Premium Microfabric (Polyester), Sturdy Wood Frame, Plastic Legs

Feature	Detail
Product Dimensions (L x W x H)	78.7" x 31.5" x 32.7"
