The Sauder International Lux L-Shaped Desk is designed to provide a functional and stylish workspace. It features a spacious top surface, two storage drawers, open shelving, and cubbyhole storage, along with integrated cord management grommets.

## SAFETY INFORMATION

**WARNING: Proposition 65**

This product can expose you to chemicals including wood dust, which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

- Use caution when opening drawers to avoid injury from 'safety stops'.
- Always wipe the desk with a damp cloth to maintain the finish and prevent damage.
- Ensure all hardware is securely fastened before use. Periodically check and tighten fasteners as needed.
- Do not overload drawers or shelves. Distribute weight evenly.

## SETUP AND ASSEMBLY

Assembly of the Sauder International Lux L-Shaped Desk requires careful attention to the included instructions. It is recommended that one person perform the assembly.

### Required Tools

- Screwdriver (not included)

### Assembly Steps

1. **Unpack and Verify Components:** Carefully unpack all components and hardware. Compare them against the parts list provided in the separate assembly instructions to ensure all pieces are present and undamaged.
2. **Follow Detailed Instructions:** Refer to the step-by-step assembly instructions included in your product packaging. These instructions provide specific diagrams and guidance for each stage of assembly.
3. **Secure All Fasteners:** Ensure all screws, bolts, and other fasteners are tightened securely. Do not overtighten, as this may damage the material.
4. **Placement:** The desk is finished on all sides, allowing for versatile placement anywhere in your home or office.

## OPERATING FEATURES

Your L-shaped desk is equipped with several features designed for organization and convenience.

### Storage Drawers

- The desk includes two storage drawers that operate on smooth metal runners.
- Safety stops are integrated to prevent drawers from being pulled out completely, enhancing user safety.
- To open, gently pull the gold-colored handle. To close, push the drawer until it is flush with the desk front.

## Cord Management

- Desktop grommet holes are included to help organize and route power cords and cables, keeping your workspace tidy.

## MAINTENANCE

Proper care and maintenance will extend the life and appearance of your desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the Diamond Ash finish.
- **Spills:** Immediately wipe up any spills to prevent moisture from penetrating the surface and causing damage.
- **Heat and Moisture Protection:** Always use coasters under beverages and protective pads under hot items to prevent rings, stains, and heat damage.
- **Hardware Check:** Periodically inspect all assembly hardware and tighten any loose connections to maintain stability.

## TROUBLESHOOTING

If you encounter issues with your Sauder International Lux L-Shaped Desk, consider the following common solutions:

- **Assembly Difficulties:** If you are having trouble with assembly, double-check the step-by-step instructions and diagrams. Ensure all parts are correctly oriented and that the correct hardware is used for each step.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact Sauder customer support for replacement parts.
- **Desk Instability:** Ensure all fasteners are securely tightened. If the desk still feels unstable, disassemble and reassemble, paying close attention to the alignment of components.
- **Drawer Malfunction:** Check that the drawer runners are properly installed and free of obstructions. Ensure the drawer is correctly seated on the runners.
