## Stokke 529403

# Stokke Tripp Trapp Baby Set Instruction Manual

Brand: Stokke | Model: 529403

## 1. INTRODUCTION AND OVERVIEW

---

The Stokke Tripp Trapp Baby Set is designed to convert your Tripp Trapp Chair into a safe and comfortable high chair for infants aged approximately 6 to 36 months. This accessory allows your baby to join the family at the dining table, promoting interaction and development. The Baby Set includes a removable seat and a 5-point harness, ensuring your child is securely seated during meal times.

## 2. PRODUCT FEATURES

---

- **Durable and Secure:** Constructed for safety and longevity, providing a stable seating solution for your baby.
- **5-Point Adjustable Harness:** Ensures your child is safely secured while allowing freedom of movement to explore their surroundings.
- **Adjustable Back Position:** The back plate can be adjusted to ensure a proper and comfortable fit as your baby grows.
- **BPA-Free Plastic:** Made from safe, high-quality materials for your child's well-being.
- **Easy to Clean:** The smooth surfaces are designed for quick and easy wiping.

### 3. COMPATIBILITY

---

The Stokke Tripp Trapp Baby Set is compatible with all Tripp Trapp Chairs produced after May 2006. Please ensure your Tripp Trapp Chair model falls within this production period for proper and safe installation.

### 4. SAFETY INFORMATION

---

Always ensure the 5-point harness is correctly fastened and adjusted to your child's size before use. The Baby Set is designed to provide a secure environment, but adult supervision is always required. Regularly check all components for wear and tear, and discontinue use if any damage is observed. The design of the Tripp Trapp chair, especially when combined with the Baby Set, is engineered for stability, but avoid placing the chair on uneven surfaces or allowing children to push off tables aggressively.

### 5. SETUP AND INSTALLATION

---

Installing the Tripp Trapp Baby Set is designed to be straightforward and tool-free. Follow these steps for secure attachment:

1. **Prepare the Tripp Trapp Chair:** Ensure your Tripp Trapp Chair is assembled and the seat and footrest are adjusted to the appropriate height for your child.
2. **Attach the Backrest:** Align the Baby Set's backrest with the grooves on the Tripp Trapp Chair's back support. Push down firmly until it clicks securely into place.
3. **Install the Seat Rail:** Position the front seat rail of the Baby Set onto the chair's seat. Ensure the side clips align with the chair's frame and push down until it locks.
4. **Secure the Harness:** Thread the 5-point harness through the designated slots in the Baby Set. Adjust the straps to fit snugly around your child, ensuring they are not too tight or too loose.

## Our mission is simple:

Empowering confident children for a better world. At Stokke, we transform this vision into action by making products that promote parent-child closeness with grow-with-your-child functionality. Our commitment to longevity drives us to use durable, high-quality materials, vital for crafting long-lasting products and working towards a brighter future.

## 6. OPERATING INSTRUCTIONS

---

The Tripp Trapp Baby Set is designed for ease of use and adaptability as your child grows.

- **Harness Adjustment:** The 5-point harness can be easily adjusted to accommodate your child's size. Loosen or tighten the straps as needed to ensure a secure yet comfortable fit.
- **Back Plate Adjustment:** The back plate of the Baby Set can be adjusted to provide optimal support for your growing child. Refer to your Tripp Trapp Chair manual for instructions on adjusting the main chair components, including the seat and footrest, to ensure proper ergonomic positioning.

## 7. MAINTENANCE AND CLEANING

---

Regular cleaning will keep your Tripp Trapp Baby Set hygienic and extend its lifespan.

- **Daily Cleaning:** Wipe down all plastic surfaces of the Baby Set with a damp cloth after each use. Mild soap can be used for stubborn food residues.

- **Harness Cleaning:** The fabric harness can be wiped clean with a damp cloth. For deeper cleaning, it may be soaked in soapy water and air-dried. Ensure the harness is completely dry before reattaching and using.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solvents, as these may damage the plastic or fabric.

## 8. TROUBLESHOOTING

---

If you encounter any issues with your Tripp Trapp Baby Set, please review the installation steps and ensure all components are correctly assembled. For persistent problems or concerns, refer to the official Stokke website or contact Stokke customer support for assistance.

## 9. SPECIFICATIONS

---

Feature	Detail
Product Dimensions	9"D x 17"W x 9"H (22.86 cm D x 43.18 cm W x 22.86 cm H)
Item Model Number	529403
