6. Maintenance

To ensure the longevity of your action figure, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the figure with a soft, dry cloth to remove dust. For stubborn dirt, use a slightly damp cloth with mild soap, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or color fading.
- **Handling:** Handle the figure with care, especially its articulated joints, to prevent breakage.

7. Troubleshooting

Here are solutions to common issues you might encounter:

Problem	Solution
Figure does not stand upright easily.	Adjust the leg and foot articulation points to find a stable balance. Ensure the surface is flat and even.
Joints feel stiff or loose.	Gently manipulate stiff joints to loosen them. Avoid excessive force. Loose joints are typically a manufacturing characteristic and may not be adjustable.
Small parts (e.g., ears) break off.	This can occur with rough play. If a part breaks, it may be possible to reattach it with appropriate plastic-safe adhesive, though this is not guaranteed. Exercise care during play.
