Giantex X-Shaped Nightstand with Drawer

Model: 2*HW55474WH

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Giantex X-Shaped Nightstand with Drawer. Please read this guide thoroughly before beginning assembly and retain it for future reference. Proper assembly and care will ensure the longevity and stability of your furniture.

SAFETY INFORMATION

- Always assemble the table according to the provided instructions.
- Do not exceed the weight limit of 44 lbs (20 kg) on the tabletop.
- Ensure the table is stable and anchored properly to prevent tipping or collapse.
- Keep fingers away from pinch points during assembly.
- Do not allow children to climb on or play with the nightstand.

PARTS LIST

Before beginning assembly, verify that all components listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact Giantex customer support for assistance.

ASSEMBLY INSTRUCTIONS

Assembly of the Giantex X-Shaped Nightstand is designed to be straightforward. Follow these general steps, referring to the detailed assembly guide included in your package for specific diagrams and hardware identification.

1. **Step 1: Unpack and Identify Components.** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided assembly diagram.
2. **Step 2: Assemble the X-Shaped Legs.** Attach the crossbars to the X-shaped leg frames using the specified hardware. Ensure all connections are secure but do not overtighten screws initially.
3. **Step 3: Attach the Drawer Box.** Secure the pre-assembled drawer box to the top of the X-shaped leg structure. Align the pre-drilled holes and fasten with the appropriate screws.
4. **Step 4: Install the Drawer.** Insert the drawer into its compartment. Ensure it slides smoothly. Attach the metal handle to the drawer front using the provided screws.
5. **Step 5: Final Tightening and Placement.** Once all components are assembled, gently tighten all screws. Place the nightstand in its desired location, ensuring it is stable and level.

OPERATING INSTRUCTIONS

The Giantex Nightstand is designed for convenient storage and display in various rooms.

- **Drawer Usage:** The single drawer provides enclosed storage for personal items. Pull the metal handle to open and push to close. Avoid placing excessive weight in the drawer to ensure smooth operation and prevent damage.
- **Tabletop Use:** The spacious tabletop is suitable for lamps, books, glasses, and other small items. Do not exceed the maximum weight capacity of 44 lbs (20 kg) on the tabletop.
- **Placement:** This versatile table can be used as a nightstand in a bedroom, an end table in a living room, or an accent table in an office. Ensure it is placed on a flat, stable surface.

MAINTENANCE

To maintain the appearance and longevity of your nightstand:

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture that may damage the painted finish or engineered wood.

- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your Giantex Nightstand, refer to the following common solutions:

- **Wobbly Table:** Check all screws and connections to ensure they are fully tightened. Adjust the placement on an even surface. If the floor is uneven, consider using furniture pads to level the table.
- **Drawer Sticking:** Ensure the drawer is properly aligned on its glides. Check for any obstructions within the drawer compartment or along the glides. A small amount of silicone lubricant can be applied to the glides if needed.
- **Scratches/Dents:** For minor cosmetic damage, touch-up paint matching the white finish may be used. For significant damage, contact customer support for advice.

SPECIFICATIONS

Brand	Giantex
Model Number	2*HW55474WH
Product Dimensions (D x W x H)	16.5" x 13" x 26" (41.9 cm x 33 cm x 66 cm)
Item Weight	10.5 Pounds (4.76 kg)
