# PLAYMOBIL 9060 Family Fun Aquarium Instruction Manual

Model: 9060 | Brand: Playmobil

## INTRODUCTION

---

Welcome to the world of PLAYMOBIL! This manual provides detailed instructions for the assembly, operation, and maintenance of your PLAYMOBIL 9060 Family Fun Aquarium playset. Please read these instructions carefully before beginning assembly to ensure a correct and enjoyable experience.

The PLAYMOBIL Family Fun Aquarium offers an engaging play environment featuring various marine animals, viewing areas, and interactive elements.

## IMPORTANT SAFETY INFORMATION

---

**WARNING: Not suitable for children under 3 years. Contains small parts which could be swallowed or inhaled, posing a choking hazard.**

- Always supervise children during play.
- Keep packaging materials away from children to prevent suffocation.
- Inspect all parts regularly for damage. Discontinue use if any part is broken or damaged.
- This product is intended for indoor use.

## PACKAGE CONTENTS

---

Before beginning assembly, please verify that all components are present. Refer to the image below for a visual representation of the complete set.

**Figure 1:** Overview of the PLAYMOBIL 9060 Family Fun Aquarium set as packaged. This image displays the main aquarium structure, various figures, marine animals, and accessories included in the box.

Your PLAYMOBIL 9060 Family Fun Aquarium set should include (but is not limited to) the following:

- Main Aquarium Structure with transparent walls
- PLAYMOBIL Figures (e.g., adults, child)
- Marine Animals (e.g., seal, dolphin, various fish, lobster)
- Decorative Elements (e.g., coral, plants, palm tree)
- Accessories (e.g., bucket, ball, signs, trash can, viewing platform)
- Small connecting pieces and clips

If any parts are missing or damaged, please contact Playmobil customer support.

## ASSEMBLY INSTRUCTIONS

Follow these general steps to assemble your PLAYMOBIL Family Fun Aquarium. Refer to the included pictorial instructions (if available in your package) for detailed diagrams. Ensure all pieces click securely into place.

1. **Prepare the Base:** Begin by connecting the main base sections of the aquarium structure. Ensure they are firmly interlocked.
2. **Attach Transparent Walls:** Carefully insert the transparent aquarium walls into the designated slots on the base. Apply gentle pressure until they snap into position.
3. **Construct Viewing Platforms:** Assemble the upper viewing platforms and attach them to the

main structure. These often involve railings and stairs.

4. **Add Decorative Elements:** Place the palm tree, coral, and other plant decorations within and around the aquarium.
5. **Position Figures and Animals:** Place the PLAYMOBIL figures and marine animals in their desired locations. The dolphin can be positioned for jumping, and the seal on its platform.
6. **Integrate Accessories:** Add signs, buckets, and other small accessories to complete the scene.

Figure 2: The fully assembled PLAYMOBIL 9060 Family Fun Aquarium, showcasing the main structure, figures, and animals in a complete play setting.

Figure 3: A close-up view of the upper level of the aquarium, showing PLAYMOBIL figures interacting with the seal and dolphin, demonstrating feeding and training activities.

## OPERATING INSTRUCTIONS (PLAY FEATURES)

---

The PLAYMOBIL Family Fun Aquarium is designed for imaginative play, allowing children to create various scenarios involving marine life and visitors.

- **Animal Shows:** Position the dolphin to jump through the hoop or have the seal balance a ball on its nose from the upper viewing platform.
- **Underwater Viewing:** Utilize the lower viewing area where figures can observe the fish and other marine creatures through the transparent walls.
- **Interactive Elements:** Some sets may include a rotating platform (as seen in Figure 6) for figures to stand on, adding dynamic movement to the play.
- **Role-Playing:** Encourage children to role-play as aquarium visitors, animal trainers, or marine biologists, fostering creativity and storytelling.

**Figure 4:** Two PLAYMOBIL figures observing various fish and a lobster through the transparent lower section of the aquarium, simulating an underwater viewing experience.

**Figure 5:** A child PLAYMOBIL figure looking through a unique bubble-shaped viewing window in the aquarium, providing an immersive perspective of the marine life.

**Figure 6:** A side view of the aquarium showing PLAYMOBIL figures on a rotating platform, which can be manually turned to change their viewing angle or position.

## MAINTENANCE

---

Proper care and maintenance will ensure the longevity of your PLAYMOBIL Family Fun Aquarium.

- **Cleaning:** To clean the playset, wipe surfaces with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air drying. Do not use abrasive cleaners or harsh chemicals.
- **Storage:** Store the playset in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation and color fading.
- **Inspection:** Periodically check all parts for wear and tear, especially small connecting pieces. Replace any broken or worn parts to maintain safety and playability.

## TROUBLESHOOTING

---

- **Missing Parts:** If you discover any missing parts upon opening the package, please refer to the "Warranty and Support" section to contact Playmobil customer service for assistance.
- **Difficulty Assembling:** Ensure you are following the assembly steps carefully. Sometimes, pieces require a firm but gentle push to click into place. Refer to the pictorial instructions that came with your set.
- **Damaged Parts:** If any part becomes damaged during play or assembly, discontinue use of the damaged part and contact customer support for replacement options.
