Lavish Home 72-LMP1-1

Lavish Home Clear Glass Lamp Instruction Manual

Model: 72-LMP1-1

INTRODUCTION

Thank you for purchasing the Lavish Home Clear Glass Lamp. This instruction manual provides important information regarding the safe assembly, operation, and maintenance of your new lamp. Please read this manual thoroughly before use and retain it for future reference.

SAFETY INSTRUCTIONS

- Always unplug the lamp from the electrical outlet before cleaning, changing the light bulb, or performing any maintenance.
- Do not use the lamp with a damaged cord or plug. If the cord or plug is damaged, contact a qualified electrician for repair or replacement.
- This lamp is designed for indoor use only. Do not expose it to water or high humidity.
- Ensure the light bulb wattage does not exceed the maximum specified for the lamp (60-watt equivalent LED bulb included).
- Keep the lamp away from flammable materials.
- Do not attempt to modify or disassemble the lamp beyond the instructions provided.

PACKAGE CONTENTS

Carefully unpack all components and ensure you have received the following items:

- Clear Glass Lamp Base
- Lamp Shade (Ivory)
- LED Light Bulb (E26, 9W, 805 lumens, 60W equivalent)
- Protective Plastic Ring (pre-installed on base)

SETUP AND ASSEMBLY

1. **Unpack Components:** Remove all parts from the packaging and place them on a clean, flat surface.
2. **Attach the Shade:** Carefully place the lamp shade onto the lamp harp (the metal frame above the bulb socket). Secure it with the finial (the decorative knob) by screwing it clockwise onto the top of the harp until snug.
3. **Install the Light Bulb:** Screw the included LED light bulb into the lamp socket clockwise until it is firmly seated. Do not overtighten.
4. **Customize the Base (Optional):** The clear glass base features an open bottom, allowing you to insert decorative items such as seashells, pebbles, or faux succulents to personalize your lamp. Ensure any items placed inside do not interfere with the lamp's stability or electrical components.
5. **Position the Lamp:** Place the assembled lamp on a stable, level surface.
6. **Connect to Power:** Plug the lamp's power cord into a standard electrical outlet.

Add Seashells, fake flowers or driftwood inside the open base to create your own look

OPERATING INSTRUCTIONS

The Lavish Home Clear Glass Lamp features a touch-sensitive switch for easy operation.

- To turn the lamp **ON**, gently touch any metal part of the lamp base or stem.
- To turn the lamp **OFF**, gently touch any metal part of the lamp base or stem again.

MAINTENANCE

- **Cleaning:** Unplug the lamp before cleaning. Use a soft, dry cloth to wipe the lamp base and shade. Do not use abrasive cleaners or solvents, as they may damage the finish.
- **Bulb Replacement:** Ensure the lamp is unplugged and the bulb has cooled completely before attempting to replace it. Use an E26 base LED bulb, not exceeding a 60-watt equivalent.
