Gami Mambo Sonoma 2-Door Wardrobe User Manual

Model: 1K22330

Brand: GAMI

1. PRODUCT OVERVIEW

The Gami Mambo Sonoma 2-Door Wardrobe (Model 1K22330) is a versatile storage unit designed for office or home environments. It features a robust construction with a modern aesthetic, combining a matte black cabinet with natural oak-effect fronts.

This wardrobe is equipped with 4 doors and 5 shelves, two of which are height-adjustable, providing ample space for documents, office supplies, or personal items. The design incorporates recessed handles and Soft Close hinges for smooth and quiet operation.

Figure 2: The Gami Mambo Sonoma 2-Door Wardrobe integrated into a modern office environment, demonstrating its size and aesthetic appeal alongside other furniture pieces.

2. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tip Safety:** This wardrobe is equipped with an anti-tip safety system. For maximum stability and to prevent accidental tipping, it is crucial to secure the wardrobe to a wall using the provided wall mounting hardware.
- **Weight Distribution:** Distribute weight evenly across shelves. Avoid placing heavy items on upper shelves without proper anchoring.
- **Children Safety:** Keep small parts and assembly hardware out of reach of children. Do not allow children to climb on or play with the wardrobe.
- **Assembly Environment:** Assemble the product on a clean, flat, and soft surface to prevent scratches and damage.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact your retailer for assistance.

The package for the Gami Mambo Sonoma 2-Door Wardrobe typically includes:

- Wardrobe panels (sides, top, bottom, back)
- 4 doors

- 5 shelves (including 2 height-adjustable)
- Recessed handles
- Soft Close hinges
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip wall mounting hardware
- Assembly instructions manual (this document)

4. ASSEMBLY AND SETUP

Assembly is required for this product. While assembly is designed to be straightforward, it is recommended to have assistance for certain steps, especially when lifting and positioning larger panels. A single person can manage most of the assembly, but help is advised for joining the main sections.

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware, referring to the parts list in the separate assembly guide (if provided) to ensure everything is accounted for.
2. **Base Assembly:** Begin by assembling the base frame of the wardrobe according to the detailed diagrams. Ensure all connections are secure.
3. **Side Panels:** Attach the side panels to the base. Pay attention to the orientation of each panel.
4. **Back Panel:** Secure the back panel. This often adds significant rigidity to the structure.
5. **Shelves Installation:** Install the fixed shelves first. Then, insert the adjustable shelf pins into the desired holes for the adjustable shelves and place the shelves.
6. **Door Assembly:** Attach the Soft Close hinges to the doors and then mount the doors to the wardrobe frame. Adjust hinges as necessary to ensure proper door alignment and smooth closing. Install the recessed handles.
7. **Wall Mounting (Crucial):** Once the wardrobe is in its final desired position, use the provided anti-tip hardware to secure it to a sturdy wall stud. This step is essential for stability and safety. Consult a professional if you are unsure about wall types or mounting procedures.

For detailed step-by-step instructions and diagrams, please refer to the separate assembly manual included with your product packaging.

5. OPERATION

Operating the Gami Mambo Sonoma 2-Door Wardrobe is straightforward.

- **Opening/Closing Doors:** Gently pull or push the recessed handles to open or close the doors. The Soft Close hinges will ensure a smooth and quiet closing action, preventing slamming.
- **Adjusting Shelves:** To adjust the height of the movable shelves, empty the shelf, remove it, then remove the shelf pins from their current holes. Reinsert the pins into the desired new holes, ensuring they are level, and then place the shelf back onto the pins.
- **Loading:** Place items evenly on the shelves. Avoid overloading any single shelf to maintain stability and prevent damage.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and longevity of your Gami Mambo Sonoma wardrobe.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for furniture. Dry immediately with a clean cloth. Avoid harsh chemicals, abrasive cleaners, or solvents.
- **Dusting:** Dust regularly with a soft, dry cloth.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.
- **Moisture:** Protect the furniture from excessive moisture and humidity. Wipe up spills immediately.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your wardrobe.

Problem	Possible Cause	Solution
Wardrobe feels wobbly or unstable.	Loose fittings; uneven floor; not wall-mounted.	Ensure all assembly screws are tightened. Place shims under the base if the floor is uneven. Crucially, ensure the wardrobe is securely mounted to the wall using the anti-tip hardware.
Doors do not align or close properly.	Hinges are loose or misaligned.	Adjust the screws on the Soft Close hinges to align the doors. Refer to the hinge adjustment section in the detailed assembly manual.
Shelves are not level.	Shelf pins are not inserted correctly or are uneven.	Remove the shelf and ensure all four shelf pins are fully inserted into the corresponding holes at the same height.
Scratches or minor surface damage.	Accidental impact or abrasive cleaning.	For minor scratches, a furniture repair pen or wax stick matching the finish may be used. Avoid abrasive materials for cleaning.

If you encounter issues not listed here or require further assistance, please contact the manufacturer or your retailer.

8. SPECIFICATIONS

Feature	Detail
Model Number	1K22330
Brand	GAMI

Feature	Detail
Dimensions (Package)	187 x 80 x 46 cm
Weight (Package)	63 kilograms
