## Homelegance Appert Swivel Bar Stools Instruction Manual

Comprehensive guide for assembly, operation, and maintenance of your Homelegance Appert Swivel Bar Stools.

### PRODUCT OVERVIEW

The Homelegance Appert Swivel Bar Stools are designed for casual dining and home bar areas. This set includes two counter height chairs featuring upholstered faux leather seats and backs, a dark gray metal frame, and a convenient 360-degree swivel mechanism. Their industrial style complements various interior designs.

## SETUP AND ASSEMBLY

---

Your Homelegance Appert Swivel Bar Stools require assembly upon arrival. The product ships in one box and includes all necessary components and hardware.

### Included Components:

- Bottom Ring
- Hardware (screws, washers, etc.)
- Seat and back Cushion
- Swivel plate

- Upper and lower leg sections

For detailed step-by-step assembly instructions, please refer to the official Installation Manual PDF available[here](#). Ensure all parts are present before beginning assembly.

## OPERATING INSTRUCTIONS

The Homelegance Appert Swivel Bar Stools are designed for ease of use and comfort. Each stool features a 360-degree swivel mechanism, allowing for flexible movement and interaction in your space.

- **Swivel Function:** The seat can rotate a full 360 degrees. To swivel, simply apply gentle pressure to the seat in the desired direction.
- **Seating:** Sit centrally on the seat for optimal balance and comfort.
- **Footrest:** Utilize the integrated footrest for added comfort and support, especially during extended periods of sitting.

## MAINTENANCE AND CARE

Proper care and maintenance will extend the life and appearance of your bar stools.

- **Cleaning:** For general cleaning, wipe the faux leather upholstery and metal frame with a clean, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** In case of spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause the faux leather to fade or crack over time.

## TROUBLESHOOTING

If you encounter any issues with your bar stools, consider the following common solutions:

- **Wobbling:** If the stool wobbles, ensure it is placed on a flat, stable surface. Check all assembly hardware to confirm they are securely tightened. Uneven leg caps can also contribute to wobbling; adjust if possible.
- **Swivel Mechanism Stiffness:** If the swivel mechanism feels stiff, ensure no debris is obstructing its movement. A small amount of silicone-based lubricant can be applied to the mechanism if needed, but avoid oil-based lubricants that can attract dust.
- **Squeaking Noises:** Squeaking may indicate loose connections. Re-tighten all bolts and screws. If the noise persists from the swivel mechanism, a light application of lubricant might help.

## Safety Precautions:

**Always use the stool with caution. Do not exceed the maximum weight limit of 250 lbs. Keep the stool on a stable surface to prevent tipping.**

## SPECIFICATIONS

Brand	Homelegance
Model Number	5566-24GY
Product Dimensions	20.5"D x 20.5"W x 36"H
Seat Height	25.5 Inches
