Briloner 7488-016

Briloner LED Desk Lamp User Manual

Model: 7488-016

1. Introduction

Thank you for purchasing the Briloner LED Desk Lamp. This manual provides important information regarding the safe operation, installation, and maintenance of your new desk lamp. Please read this manual thoroughly before use and retain it for future reference.
This modern LED daylight lamp in an elegant white tone is designed to provide bright and efficient illumination for your living spaces, particularly suitable for use as a bedside lamp or a table lamp in the living room. Its high brightness is ensured by 6500 Kelvin (cold white) and 800 lumens, with a power consumption of 7.5 watts.

2. Safety Instructions

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power supply voltage matches the lamp's requirements before connecting.
- Do not disassemble or modify the lamp. The LED light source is permanently installed and cannot be replaced.
- Keep the lamp away from water or other liquids. Do not operate in damp environments.
- Do not cover the lamp with materials that may obstruct ventilation, as this can lead to overheating.
- Unplug the lamp from the power outlet before cleaning or performing any maintenance.
- If the power cord is damaged, it must be replaced by the manufacturer, its service agent, or similarly qualified persons to avoid a hazard.
- This lamp is for indoor use only.

3. Package Contents

Verify that all components are present and in good condition upon unpacking.

- 1 x Briloner LED Desk Lamp (with integrated LED light source)
- 1 x Power Cable

4. Setup

The Briloner LED Desk Lamp comes pre-assembled and requires minimal setup.

1. **Unpack the Lamp:** Carefully remove the lamp and all packaging materials from the box.
2. **Position the Lamp:** Place the lamp on a stable, flat surface, such as a desk or table. Ensure there is enough space around the lamp for proper ventilation and adjustment.
3. **Connect to Power:** Insert the power plug into a suitable electrical outlet.

5. Operating Instructions

Using your Briloner LED Desk Lamp is straightforward.

1. **Power On/Off:** Locate the toggle switch on the base of the lamp. Press the switch to turn the lamp ON or OFF.
2. **Adjusting the Light:** The lamp features a rotatable and pivotable neck, allowing you to adjust the angle and direction of the light head. Gently bend the flexible neck to direct the light as needed.

6. Maintenance

Proper care will ensure the longevity and optimal performance of your lamp.

- **Cleaning:** Before cleaning, always unplug the lamp from the power outlet. Use a soft, dry cloth to wipe the surfaces of the lamp. Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the finish.
- **Storage:** If storing the lamp for an extended period, ensure it is clean and dry. Store it in a cool, dry place, away from direct sunlight and extreme temperatures.
- **LED Light Source:** The LED light source is permanently installed and does not require replacement. Do not attempt to open the light head.

7. Troubleshooting

If you encounter any issues with your lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in correctly. Power outlet is not working. Lamp switch is off.	Ensure the power plug is fully inserted into the outlet. Test the outlet with another device. Press the toggle switch on the lamp base to the ON position.
Light flickers or is dim.	Unstable power supply. Internal component issue.	Try plugging the lamp into a different outlet. If the problem persists, contact customer support. Do not attempt to repair.
Lamp makes unusual noise.	Internal electrical issue.	Immediately unplug the lamp. Contact customer support. Do not attempt to repair.
