TOZO T13187

TOZO O2 True Open Ear Wireless Headphones User Manual

Model: T13187 | Brand: TOZO

1. Introduction

Welcome to the user manual for your TOZO O2 True Open Ear Wireless Headphones. These headphones are designed to provide a comfortable and secure listening experience while allowing you to remain aware of your surroundings. Featuring a unique dual-axis design for multi-angle adjustment, Bluetooth 5.3 connectivity, and TOZO ORIGX Acoustic technology, the OpenBuds deliver clear audio and crystal-clear calls. This manual will guide you through the setup, operation, and maintenance of your new headphones.

2. Setup

2.1. Unboxing and Initial Charge

Upon opening the package, you will find the TOZO OpenBuds Wireless Earbuds, a Wireless Charging Case, a USB-C (A to C) cable (20"), and a Quick Guide & User Manual. Before first use, place both earbuds into the charging case and connect the case to a power source using the provided USB-C cable. A full charge takes approximately 1.5 hours for the earbuds and 3 hours for the charging case.

2.2. Bluetooth Pairing

The TOZO OpenBuds utilize Bluetooth 5.3 for a stable and efficient connection. To pair:

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), navigate to the Bluetooth settings.
3. Select "TOZO OpenBuds" from the list of available devices.
4. Once connected, a voice prompt will confirm successful pairing.

The headphones support dual connectivity, allowing simultaneous connection to two devices for seamless switching.

3. Operating Instructions

3.1. Touch Controls and APP Functionality

The TOZO OpenBuds feature intuitive touch controls on each earbud for managing playback, calls, and voice assistants. For advanced customization, download the TOZO APP. The app allows you to switch between 5 different EQ settings for a personalized listening experience and offers additional sound effects.

3.2. Audio Quality and Call Features

Equipped with 14.2mm dynamic drivers and TOZO ORIGX Acoustic algorithm, these headphones deliver superior sound quality with focused sound and stronger bass, while preventing sound leakage. The noise-cancelling calling feature ensures crystal-clear conversations in various environments, making them ideal for driving or video calls.

4. Maintenance

To ensure the longevity and optimal performance of your TOZO OpenBuds, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Resistance:** The OpenBuds are IPX6 water resistant, meaning they are protected against high-pressure water jets from any direction. This makes them suitable for sports and outdoor use, but they should not be submerged in water. Dry them thoroughly if they get wet.

5. Troubleshooting

If you encounter any issues with your TOZO OpenBuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged and in pairing mode. Turn off and on Bluetooth on your device. Forget the device and re-pair.
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated. Try resetting the earbuds.
Earbuds not charging	Ensure charging cable is securely connected and power source is active. Clean charging contacts on earbuds and case.
Uncomfortable fit	Utilize the dual-axis adjustment feature to find a more comfortable angle and position.

For more detailed troubleshooting steps, please consult the Quick Guide & User Manual included in your product packaging.
