EGLO LITTLETON 6-Lumen Cluster Pendant Light User Manual

Model: 49549

1. PRODUCT OVERVIEW

The EGLO LITTLETON 6-Lumen Cluster Pendant Light (Model 49549) is an indoor lighting fixture designed to provide ambient illumination. It features a contemporary design with a striking combination of natural wood and black steel finishes. This pendant light is suitable for various indoor settings, particularly living rooms, and is designed to accommodate E27 lampholders, ideal for retro-inspired lightbulbs.

- **Design:** Contemporary with contrasting wood and black steel.
- **Lampholders:** E27, suitable for visible lumen style bulbs.
- **Application:** Indoor use, ideal for living rooms.

2. SAFETY INFORMATION

Please read all safety instructions carefully before installation and operation. Failure to follow these instructions may result in electric shock, fire, or other hazards.

- **Electrical Safety:** Always disconnect power at the circuit breaker or fuse box before installation, maintenance, or changing light bulbs.
- **Qualified Electrician:** Installation should be performed by a qualified electrician in accordance with all local electrical codes.
- **Voltage:** Ensure the power supply voltage matches the requirements of the fixture.
- **Bulb Type:** Use only E27 bulbs with the specified wattage. Do not exceed the maximum wattage indicated on the fixture.
- **Handling:** Handle the fixture and bulbs with care to prevent damage.
- **Environment:** This fixture is designed for indoor use only. Do not expose to moisture or extreme temperatures.

3. INCLUDED COMPONENTS

Verify that all components are present before beginning installation:

- LITTLETON 6-Lumen Cluster Pendant Light Fixture
- Assembly Instructions (Montageanleitung)
- Mounting Hardware (may vary, refer to specific instructions)

4. SPECIFICATIONS

Attribute	Detail
Model Number	49549
Brand	Eglo
Product Dimensions	50 x 50 x 150 cm (Length x Width x Height)
Item Weight	1 Kilogram
Material	Alloy Steel, Wood
Color	Black (Steel components)
Light Fixture Form	Pendant
Room Type	Living Room
Power Source	AC/DC
Assembly Required	Yes
Number of Pieces	1 (fixture unit)
Batteries Required	No
Lampholder Type	E27

5. SETUP & INSTALLATION

Installation of this pendant light requires basic electrical knowledge and adherence to safety guidelines. It is recommended to have a qualified electrician perform the installation.

5.1 Pre-Installation Checklist

- Ensure power is OFF at the main circuit breaker.
- Unpack all components and verify against the "Included Components" list.
- Gather necessary tools (e.g., screwdriver, wire strippers, electrical tape, ladder).

5.2 Installation Steps

1. **Turn Off Power:** Locate the circuit breaker controlling the light fixture's circuit and switch it to the OFF position. Verify power is off using a voltage tester.
2. **Prepare Mounting Location:** If replacing an existing fixture, carefully remove it. Ensure the junction box is securely mounted and capable of supporting the weight of the new fixture.
3. **Assemble Fixture (if required):** Follow the specific assembly instructions provided with the fixture. This may involve attaching the wooden frames to the main structure.
4. **Wire Connections:** Connect the fixture's wires to the corresponding wires from the junction box (typically black to black, white to white, and ground to ground). Secure connections with wire nuts and electrical tape.
5. **Mount Fixture:** Carefully lift the fixture and secure it to the junction box using the provided mounting hardware. Ensure it is firmly attached to the ceiling.
6. **Install Bulbs:** Screw E27 base light bulbs (not included) into each of the six lampholders. Do not overtighten.
7. **Restore Power:** Once installation is complete and all connections are secure, turn the power back ON at the circuit breaker.

6. OPERATION

The EGLO LITTLETON Pendant Light operates like any standard ceiling light fixture. Once properly installed and powered, it can be controlled via a wall switch connected to its circuit.

- **Turning On/Off:** Use the wall switch to turn the light fixture on or off.
- **Bulb Replacement:** To replace a bulb, ensure the power is off at the circuit breaker. Allow the old bulb to cool before unscrewing it. Insert a new E27 bulb, ensuring it is securely seated.

7. MAINTENANCE

Regular cleaning will help maintain the appearance and performance of your pendant light.

- **Cleaning:** Before cleaning, ensure the power is disconnected. Use a soft, dry, or slightly damp cloth to wipe down the metal and wood surfaces. Do not use abrasive cleaners, solvents, or polishes as they may damage the finish.
- **Bulb Care:** Periodically check bulbs for signs of wear or flickering. Replace as needed.

8. TROUBLESHOOTING

If you encounter issues with your pendant light, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on.	<ul style="list-style-type: none">◦ No power to the fixture.◦ Loose wire connection.◦ Faulty bulb.◦ Faulty wall switch.	<ul style="list-style-type: none">◦ Check circuit breaker and wall switch.◦ Ensure power is off, then check wire connections.◦ Replace bulb with a new, working one.◦ Consult a qualified electrician to inspect the switch.
Light flickers.	<ul style="list-style-type: none">◦ Loose bulb.◦ Incorrect bulb type/wattage.◦ Loose wiring.	<ul style="list-style-type: none">◦ Tighten bulb.◦ Ensure bulb is E27 and within wattage limits.◦ Ensure power is off, then check wire connections.

If problems persist after following these steps, contact a qualified electrician or Eglo customer support.

9. WARRANTY & SUPPORT

Eglo products are manufactured to high-quality standards and are backed by a manufacturer's warranty. For specific warranty terms and conditions, please refer to the documentation included with your purchase or visit the official Eglo website. For technical support, replacement parts, or further assistance, please contact Eglo customer service through their official channels. Keep your purchase receipt and model number (49549) handy when contacting support.
Note: This manual provides general guidelines. Always refer to the specific assembly instructions included in your product packaging for detailed, model-specific information.
