# Setty Power Bank with Solar Panels 5000 mAh User Manual

*Model: 5900495682062*

## 1. INTRODUCTION

Thank you for choosing the Setty Power Bank with Solar Panels. This portable power bank is designed to provide convenient charging for your electronic devices on the go, featuring a 5000 mAh battery capacity and an integrated solar panel for supplementary charging. Please read this manual carefully before using the product to ensure safe and optimal performance.

## 2. SAFETY INFORMATION

- Do not expose the power bank to extreme temperatures, direct sunlight for prolonged periods (beyond charging), or fire.
- Avoid contact with water or other liquids. This device is not fully waterproof.
- Do not disassemble, modify, or attempt to repair the device yourself. Contact qualified service personnel.
- Keep out of reach of children.
- Use only compatible charging cables and adapters.
- Dispose of the power bank responsibly according to local regulations.

## 3. PACKAGE CONTENTS

- Setty Power Bank with Solar Panels (5000 mAh)
- USB Charging Cable (Micro-USB)
- User Manual

## 4. PRODUCT OVERVIEW

Familiarize yourself with the components of your Setty Power Bank.

**Image 1:** Setty Power Bank with Solar Panels. The image displays the power bank in its packaging, highlighting its green and black design, solar panel, and a carabiner clip for portability. The packaging also indicates "SOLAR TRAVEL BATTERY 5000 mAh".

- **Solar Panel:** Converts sunlight into electrical energy to slowly charge the internal battery.
- **USB Output Ports (2):** For charging external devices.
- **Micro-USB Input Port:** For charging the power bank itself.
- **LED Indicators:** Show battery level and charging status.
- **Power Button:** To turn on/off the device and activate the flashlight.
- **Flashlight:** Integrated LED light for illumination.
- **Carabiner Clip:** For attaching the power bank to bags or gear.

## 5. SETUP

### 5.1 Initial Charging of the Power Bank

Before first use, it is recommended to fully charge the power bank via a USB power source.

1. Connect the provided Micro-USB cable to the power bank's input port.
2. Connect the other end of the USB cable to a USB wall adapter (not included), computer USB port, or other compatible USB power source.
3. The LED indicators will illuminate to show the charging progress. Once all LEDs are solid, the power bank is fully charged.
4. Disconnect the cable once charging is complete.

**Note:** Solar charging is a supplementary feature and is significantly slower than wall charging. For optimal performance, always fully charge the power bank via USB before extended use.

## 6. OPERATING INSTRUCTIONS

## 6.1 Charging External Devices

1. Connect your device's charging cable to one of the USB output ports on the power bank.
2. Connect the other end of the cable to your electronic device (e.g., smartphone, tablet).
3. The power bank should automatically begin charging your device. If not, press the power button once to initiate charging.
4. The LED indicators will show the remaining battery level of the power bank.
5. Disconnect your device once it is fully charged or when you no longer need to charge it.

## 6.2 Solar Charging

The integrated solar panel allows for emergency or supplementary charging when no other power source is available.

- Place the power bank with the solar panel facing direct sunlight.
- A dedicated LED indicator (if present) or the main battery indicators may show that solar charging is active.
- Solar charging is slow and dependent on sunlight intensity. It is not intended as the primary charging method.

## 6.3 LED Indicator Functions

The LED lights indicate the power bank's status:

- **Solid LEDs:** Indicate remaining battery capacity. (e.g., 4 LEDs = 75-100%, 3 LEDs = 50-75%, etc.)
- **Flashing LEDs:** Indicate the power bank is currently being charged.

## 6.4 Flashlight Function

To use the integrated flashlight:

- **Turn On:** Press and hold the power button for approximately 2-3 seconds.
- **Turn Off:** Press and hold the power button again for approximately 2-3 seconds.

## 7. MAINTENANCE

- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Keep the solar panel clean and free of dust or debris for optimal solar charging efficiency.
- Store the power bank in a cool, dry place when not in use.
- If storing for extended periods, charge the power bank to at least 50% every 3 months to prolong battery life.

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Power bank not charging.	<p>Cable not connected properly.</p> <p>Faulty charging cable or adapter.</p> <p>Power bank battery fully discharged.</p>	<p>Ensure all connections are secure.</p> <p>Try a different USB cable and/or wall adapter.</p> <p>Allow the power bank to charge for a longer period.</p>
Device not charging from power bank.	<p>Power bank battery is low or empty.</p> <p>Device's charging cable is faulty.</p> <p>Power bank is not turned on.</p>	<p>Recharge the power bank.</p> <p>Try a different charging cable for your device.</p> <p>Press the power button once to activate output.</p>
Solar charging is very slow.	<p>Insufficient sunlight intensity.</p> <p>Solar panel is dirty or obstructed.</p> <p>Solar charging is inherently slow.</p>	<p>Ensure direct, strong sunlight exposure.</p> <p>Clean the solar panel surface.</p> <p>Solar charging is for emergency/supplementary use, not primary.</p>

## 9. SPECIFICATIONS

- **Brand:** Setty
- **Model Number:** 5900495682062
- **Battery Capacity:** 5000 mAh (Milliampere-hour)
- **Input:** USB (Micro-USB)
- **Output:** 2 x USB ports
- **Output Current:** 1 A
- **Power Source:** Solar Powered, USB
- **Compatible Devices:** Computer (and other USB-chargeable devices)

## 10. WARRANTY INFORMATION

Setty products are manufactured to high-quality standards. For specific warranty terms and conditions, please refer to the warranty card included with your purchase or contact your retailer. Keep your proof of purchase for any warranty claims.

## 11. SUPPORT

If you encounter any issues or have questions regarding your Setty Power Bank that are not covered in this manual, please contact the retailer where you purchased the product or visit the official Setty website for further assistance.
