2. SETUP

The HW '57 Chevy Virtual Collection diecast car is a pre-assembled collectible item. No assembly is required.

1. **Unpackaging:** Carefully remove the diecast car from its blister packaging. Exercise caution to avoid damaging the car or the packaging, especially if retaining the packaging for display or collection purposes.
2. **Placement:** Place the diecast car on a flat, stable surface for display.

3. OPERATING INSTRUCTIONS

This diecast car is a static model designed for display and collection. It does not require batteries or external power. The wheels are functional, allowing for manual rolling on smooth surfaces.

- **Display:** Position the car in a desired location, ensuring it is secure and not prone to falling.
- **Movement:** The car can be manually rolled across flat surfaces. Avoid excessive force or impact to prevent damage.

4. MAINTENANCE

Proper maintenance ensures the longevity and appearance of your diecast car.

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the car's surface. For stubborn dirt, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or solvents.
- **Storage:** Store the car in a cool, dry place away from direct sunlight and extreme temperatures to prevent paint fading or material degradation. Consider display cases for protection from dust and physical damage.
- **Handling:** Handle the car by its body, avoiding delicate parts like mirrors or spoilers if present, to prevent breakage.

5. TROUBLESHOOTING

As a static model, troubleshooting requirements are minimal.

- **Loose Parts:** If any small parts become loose, they may be reattached using a small amount of model-safe adhesive. Exercise caution to avoid damaging the paint finish.
- **Wheel Functionality:** If wheels do not roll smoothly, check for any debris obstructing the axles. Gently remove any obstructions.

6. SPECIFICATIONS
