Operating Instructions: 4-in-1 Conversion

The Graco Alicia crib is designed to adapt to your child's growth, converting into a toddler bed, daybed, and full-size bed.

Adjustable Mattress Height:

The crib features a 3-position adjustable mattress support base. Adjust the mattress height according to your child's age and developmental stage to ensure safety and ease of access.

Conversion Steps:

1. **Crib Mode:** Use as a standard crib for infants. Ensure the mattress support is at the appropriate height for your child's safety.
2. **Toddler Bed Conversion:** Once your child outgrows the crib, convert it to a toddler bed by removing the front rail and installing the optional Graco Toddler Guardrail (sold separately).

Maintenance and Care

Proper maintenance ensures the longevity and safety of your Graco Alicia Convertible Crib.

Cleaning Instructions:

- Wipe with a damp cloth.
- Avoid using abrasive cleaners, harsh chemicals, or strong detergents, as these can damage the finish.

General Care:

- Regularly inspect all hardware and connections to ensure they are tight and secure.
- Do not over-tighten bolts, as this can strip the wood or cause cracking.
- Avoid exposing the crib to extreme temperatures or humidity, which can cause warping or cracking.
- Keep the crib away from direct sunlight to prevent fading of the finish.

Troubleshooting

If you encounter any issues with your Graco Alicia Convertible Crib, please refer to the following common solutions:

- **Wobbling or Instability:** Ensure all bolts and screws are securely tightened. Refer to the assembly instructions to confirm all parts are correctly installed.
- **Difficulty with Conversion:** Double-check that you have the correct conversion kits (toddler guardrail, full-size conversion kit) and that you are following the specific instructions provided with those kits.
- **Damaged or Missing Parts:** Do not use the crib if any parts are damaged or missing. Contact Storkcraft customer support immediately for replacement parts.
