

ZEBRONICS Zeb-Fame

ZEBRONICS Fame 2.0 USB Computer Speakers

Model: Zeb-Fame

INTRODUCTION

The ZEBRONICS Fame 2.0 USB Computer Speakers are designed to provide clear and balanced audio for your PC, laptops, and desktop computers. Featuring a compact design, USB power, and an AUX input, these speakers offer a convenient and immersive listening experience.

WHAT'S IN THE BOX

- Speaker - 1 unit (includes both left and right speakers connected)

KEY FEATURES

- **Dynamic Output:** Delivers immersive sound with clear audio at 5W total output.
- **2.0 Speaker System:** Provides balanced stereo sound.
- **Powerful Drivers:** Dual 5.2cm drivers offer a wide soundstage.
- **AUX Input:** Ensures effortless connectivity with various audio sources.
- **USB-Powered:** Eliminates the need for an external power source, offering plug-and-play convenience.
- **Volume Control Pod:** Features an in-line volume control for easy audio adjustment.
- **Compact & Lightweight Design:** Ideal for small spaces and portability.

SETUP INSTRUCTIONS

1. **Positioning the Speakers:** Place the left and right speakers on either side of your computer or laptop for optimal stereo separation. Ensure they are on a stable, flat surface.

2. **Connect AUX Input:** Insert the 3.5mm audio jack from the speaker cable into the audio output port (headphone jack) of your computer, laptop, or other audio device.
3. **Connect USB Power:** Insert the USB-A connector from the speaker cable into an available USB port on your computer, laptop, or a compatible USB power adapter. The speakers are USB-powered and do not require a separate power adapter.

AUX Input

Enables smooth connection with laptops, computers, and other audio devices

Image: Connecting the 3.5mm AUX input cable to a laptop's audio jack.

USB Powered

Seamless plug-and-play, eliminating external power

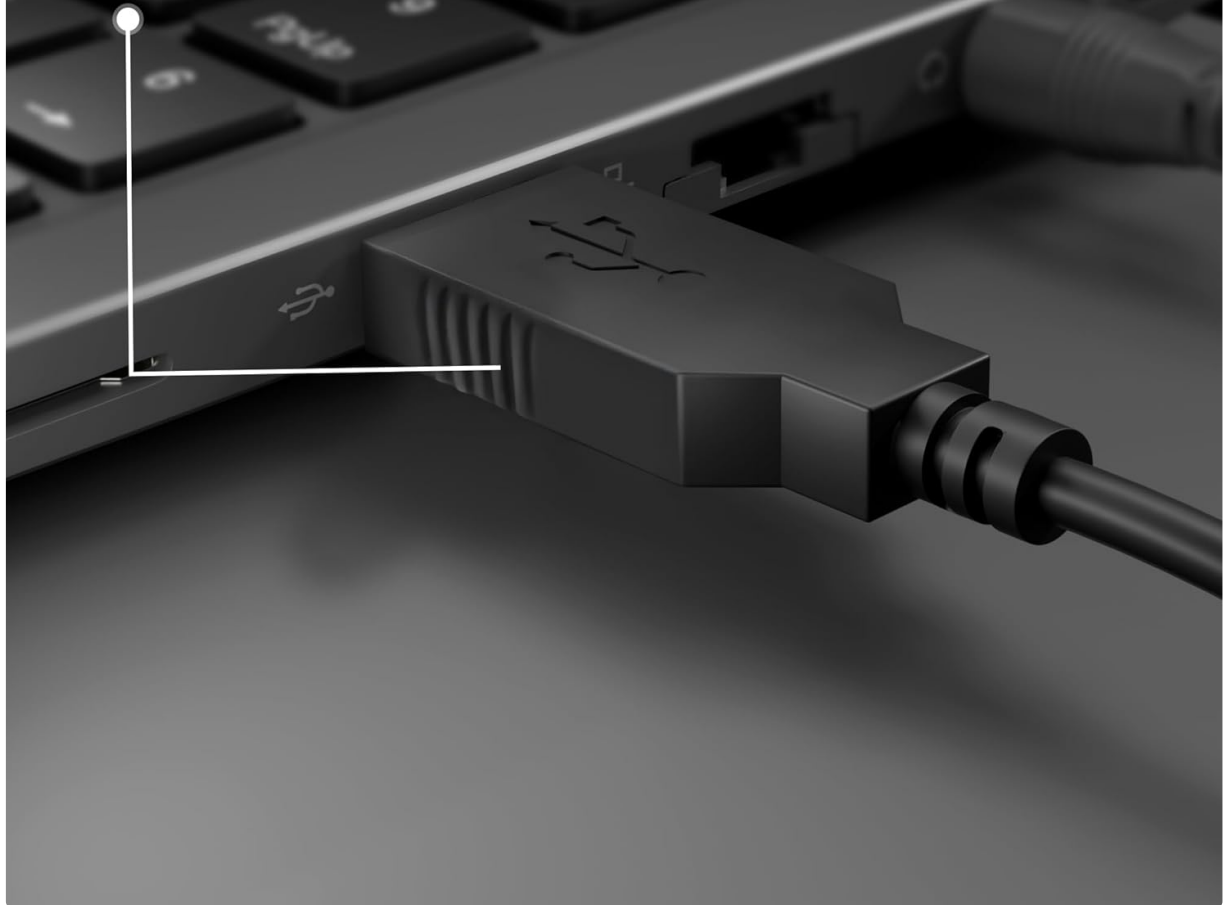

Image: Connecting the USB-A power cable to a laptop's USB port.

Once both the AUX and USB cables are connected, the speakers are ready for use.

OPERATING INSTRUCTIONS

The ZEBRONICS Fame speakers feature an in-line volume control pod for convenient audio adjustment.

1. **Adjusting Volume:** Locate the in-line volume control pod on the speaker cable. Rotate the dial on the pod to increase or decrease the volume to your desired level.
2. **Power On/Off:** The speakers are powered on automatically when connected to a live USB port. To turn them off, simply disconnect the USB cable.

Volume & Control

Easy audio adjustment with a smooth scroll

MAINTENANCE

- Keep the speakers away from water and moisture.
- Clean the speakers with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Avoid placing speakers in direct sunlight or near heat sources.
- Do not attempt to open or repair the speakers yourself. Refer to qualified service personnel.

TROUBLESHOOTING

- **No Sound:**
 - Ensure both the USB power cable and the 3.5mm AUX audio cable are securely connected.
 - Check the volume level on the in-line control pod and on your computer/audio device.
 - Verify that the correct audio output device is selected in your computer's sound settings.
 - Test with another audio source or USB port to rule out device-specific issues.
- **Distorted Sound:**

- Lower the volume on both the speakers and your audio device.
- Ensure the audio cable is fully inserted and not damaged.
