Homall Zero Gravity Reclining Lounge Chair Instruction Manual

Model: 5CBD | Brand: Homall

1. INTRODUCTION

Thank you for choosing the Homall Zero Gravity Reclining Lounge Chair. This manual provides essential information for the safe and effective use, maintenance, and care of your new chair. Please read these instructions thoroughly before use and retain them for future reference.

The Homall Zero Gravity Chair is designed for comfort and relaxation in various outdoor settings such as patios, lawns, gardens, poolside areas, and beaches. Its ergonomic design allows for a weightless sensation, promoting optimal relaxation.

2. PRODUCT FEATURES

- **No Assembly Required:** The chair comes fully assembled and folded, ready for immediate use.
- **Comfortable Zero-Gravity Recline:** Smoothly glides to an ergonomic zero-gravity position, adjustable from 0 to 145 degrees.
- **Durable Construction:** Features a sturdy steel tube frame and strong double bungee rope for long-lasting use.
- **High-Quality Fabric:** Made with breathable Textilene fabric, offering a cool experience and easy cleaning.
- **Adjustable Headrest:** Includes a full padded detachable pillow that can be adjusted for head or lumbar support.
- **Lockable Recliner System:** Allows you to secure the chair at your desired recline angle.
- **Removable Cup Holder:** A convenient side tray with two cup holders and slots for a phone or tablet is included.
- **Foldable Design:** Easily folds for compact storage and portability.

3. SETUP INSTRUCTIONS

3.1 Unfolding the Chair

1. Carefully remove the chair from its packaging.
2. Gently pull the chair's frame apart until it fully extends into the upright sitting position. Ensure all legs are stable on a flat surface.

Figure 1: Two Homall Zero Gravity Chairs in blue, unfolded and ready for use. The chairs feature a black frame, blue Textilene fabric, and a detachable headrest. One chair has a removable cup holder attached to its side.

3.2 Attaching the Cup Holder

1. Locate the removable cup holder tray.
2. Align the slots on the cup holder with the designated attachment points on the side of the chair's armrest.
3. Slide the cup holder firmly into place until it is securely attached.

Figure 2: Close-up of the removable cup holder attached to the armrest of a Homall Zero Gravity Chair. The black tray includes two circular cup holders, a rectangular slot for a phone, and a longer slot for a tablet or book.

3.3 Adjusting the Headrest

1. The padded headrest is detachable and can be slid along the back of the chair.
2. Adjust its position to provide optimal comfort for your head or lower back.

Comfortable Experience

Recliners that can be laid flat are perfect for relaxing

Thickened Headrest

- ✓ Soft & Comfortable
- ✓ High Quality Material

Figure 3: Close-up of the thickened headrest on a Homall Zero Gravity Chair. The headrest is a padded, cylindrical pillow attached to the chair's back with straps, providing comfort and support.

4. OPERATING INSTRUCTIONS

4.1 Reclining and Locking the Chair

1. To recline, gently push back on the armrests while leaning your body backward. The chair will smoothly glide into various reclining positions.
2. Once you find your desired position (between 0 and 145 degrees), locate the locking knobs on both sides beneath the armrests.
3. Turn the knobs to tighten and lock the chair into that position. To unlock, turn the knobs in the opposite direction.

Figure 4: A diagram illustrating the multi-angle adjustment (0-145 degrees) and the lockable function of the Homall Zero Gravity Chair. It shows the chair in an upright position, a reclined position, and a close-up of the locking mechanism.

4.2 Folding the Chair for Storage

1. Ensure the chair is in the upright position and unlocked.
2. Lift the front of the seat and push the backrest forward. The chair will fold flat for compact storage.

Figure 5: A family standing next to a car with a folded Homall Zero Gravity Chair, demonstrating its portability. The chair is shown in its compact, folded form, suitable for transport or storage.

5. MAINTENANCE

5.1 Cleaning

- For general cleaning, wipe the Textilene fabric and frame with a damp cloth and mild soap.
- Rinse thoroughly with clean water and allow to air dry completely before folding or storing.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the fabric or frame.

5.2 Storage

- When not in use, especially during inclement weather or off-season, fold the chair and store it in a dry, protected area.
- Storing the chair indoors or under a protective cover will prolong its lifespan and maintain its appearance.

6. TROUBLESHOOTING

6.1 Chair is difficult to unfold or connecting rod is bent

If you encounter resistance when unfolding the chair or notice a bent connecting rod, follow these steps:

1. Gently tap the deformed section of the connecting rod with a rubber mallet until it straightens.
2. Reposition the chair with the headrest facing down. Ensure the longest crossbar is close to the ground.
3. If the longest crossbar is pointing upward, press it down firmly until it clicks into place at the bottom.
4. With everything positioned correctly, the chair should unfold smoothly with minimal effort.
5. **Important Note:** If you meet resistance while unfolding, do not force it. Stop immediately and contact Homall customer support.

Your browser does not support the video tag.

Video 1: This video demonstrates the recovery steps for a Homall Zero Gravity Chair if its connecting rod gets bent during incorrect unfolding. It shows how to gently tap the bent section with a rubber mallet, correctly position the chair with the headrest facing down and the longest crossbar close to the ground, and then press the crossbar down firmly until it clicks into place. The video emphasizes not to force the chair if resistance is met and to contact support.

6.2 Reclining mechanism is stiff

- Check the locking knobs on both sides. Ensure they are fully loosened before attempting to recline.
- Apply gentle, even pressure to both armrests when reclining. Avoid sudden movements.
- Inspect the bungee cords for any signs of wear or damage. Worn cords can affect the smoothness of the recline.

7. SPECIFICATIONS

Brand	Homall
Model Name	Homall Zero Gravity Chair Patio Folding Lawn Lounge Chairs Outdoor Lounge Gravity Chair Camp Reclining Lounge Chair Set of 2
Model Number	5CBD
Color	Blue
Material	Steel Frame; Textilene Fabric
