PRODUCT OVERVIEW

The Linklike Classic 2 Wired Earbuds are designed for high-fidelity audio with enhanced bass and clear vocal transmission. Key features include:

- **QUAD Dynamic Drive:** Industry-leading 14.2mm driver units for superior clarity and acoustic performance with enhanced bass.
- **Integrated Microphone:** Innovative MEMS microphone designed to reduce background static for clear calls.
- **Inline Controls:** Convenient buttons for volume adjustment, music playback (play/pause, next/previous track), and call management.
- **3.5mm Jack:** Universal compatibility with most devices featuring a 3.5mm audio input.

- **Lightweight Design:** Ergonomically designed for comfort during extended use.
- **Durable Cable:** Tangle-free cable for ease of use and longevity.

MAINTENANCE

To ensure the longevity and optimal performance of your Linklike Classic 2 Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the ear tips with a soft, dry cloth. For deeper cleaning, remove the silicone tips and wash them with mild soap and water, ensuring they are completely dry before reattaching.
- **Cable Care:** Avoid sharp bends or excessive pulling on the cable to prevent damage. The tangle-free design helps maintain its integrity.
- **Storage:** When not in use, store your earbuds in the provided storage pouch to protect them from dust, dirt, and tangling.
- **Water Resistance:** The earbuds are rated as waterproof. However, avoid prolonged submersion in water.

TROUBLESHOOTING

If you encounter any issues with your Linklike Classic 2 Earbuds, please refer to the following common solutions:

- **No Sound:**
 - Ensure the 3.5mm jack is fully inserted into your device's audio port.
 - Check your device's volume settings.
 - Test the earbuds with another device to rule out device-specific issues.
- **Microphone Not Working:**
 - Ensure the microphone is not obstructed.
 - Check your device's microphone input settings.
 - Test the microphone with another device or application.
- **Poor Sound Quality/Lack of Bass:**
 - Ensure the ear tips are properly seated in your ear canal to create a good seal. Try different sized ear tips for a better fit.
 - Clean any debris from the earbud grilles.
- **Buttons Not Responding:**

- Ensure the connection is secure.
- Some older devices or specific applications may have limited compatibility with inline controls.

If the problem persists, please contact Linklike customer support for further assistance.
