IKEA 502.509.11

IKEA Godmorgon LED Cabinet Wall Lamp User Manual

Model: 502.509.11

1. PRODUCT OVERVIEW

The IKEA Godmorgon LED Cabinet Wall Lamp (Model 502.509.11) is designed to provide uniform lighting, ideal for illuminating areas around mirrors and washbasins. This LED light source is energy-efficient, consuming up to 85% less energy and lasting 20 times longer than incandescent bulbs. It is specifically designed to complement the GODMORGON bathroom series.

2. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before installation and use. Keep this manual for future reference.

- This product is intended for hardwired installation. Installation should only be performed by a qualified electrician in accordance with local electrical codes.
- Ensure the main power supply is switched off at the circuit breaker before beginning any installation or maintenance.
- This lamp is approved for use in bathrooms and is rated IP44, indicating protection against solid objects larger than 1mm and splashing water from any direction.
- Do not attempt to modify the product in any way. Unauthorized modifications may void the warranty and pose safety risks.
- Keep packaging materials out of reach of children to prevent choking hazards.

3. PRODUCT SPECIFICATIONS

Attribute	Value
Model Number	502.509.11
Light Output	500 Lumens (approx. equivalent to a 40-watt incandescent bulb)
Length	80 cm (32 inches)
Depth	12.7 cm (approx. 5 inches)
Height	2.5 cm (approx. 1 inch)
Power Consumption	12.5 W
Max. Load (if mounted on shelf)	2.9 kg (6.5 lbs) - depends on wall type and anchor
Light Color	Warm White (3000 Kelvin)
LED Lifespan	Approx. 25,000 hours
IP Rating	IP44 (Approved for bathroom use)
Material	Bracket/Cover: Polycarbonate/ABS plastic; Diffuser: Polycarbonate plastic; Lamp Housing: Anodized aluminum; Holder: Aluminum.
Dimmable	Yes (Requires compatible dimmer, not included)

4. PACKAGE CONTENTS

Before beginning installation, ensure all components are present and undamaged. The package typically includes:

- IKEA Godmorgon LED Cabinet Wall Lamp unit
- Mounting hardware (screws, anchors, brackets)
- Installation instructions (this manual)

5. SETUP AND INSTALLATION

This lamp is designed for hardwired installation and can be mounted on a bathroom cabinet or directly on a wall. Professional installation is recommended.

5.1 Pre-Installation Checklist

1. Verify that the power supply to the installation area is turned OFF at the main circuit breaker.
2. Ensure you have the necessary tools: screwdriver, wire strippers, drill, level, measuring tape.
3. Confirm the wall or cabinet can support the lamp's weight (max. 2.9 kg) and use appropriate anchors for your wall type.

5.2 Mounting Steps

1. Determine the desired mounting location. Use a level and measuring tape to mark the positions for the mounting brackets.
2. Drill pilot holes at the marked locations. Insert wall anchors if necessary.
3. Secure the mounting brackets to the wall or cabinet using the provided screws.
4. Connect the lamp's electrical wires to the household wiring according to local electrical codes. Ensure all connections are secure and insulated.
5. Carefully attach the lamp unit to the mounted brackets, ensuring it clicks securely into place.
6. Restore power at the circuit breaker and test the lamp.

Figure 4: A close-up view of the end of the lamp, showing its sleek design and integrated LED light strip.

6. OPERATING INSTRUCTIONS

The IKEA Godmorgon LED Cabinet Wall Lamp is designed for simple operation once installed.

- **Power On/Off:** The lamp is controlled by the wall switch connected to its hardwired installation. Flip the switch to turn the light on or off.
- **Dimming:** This lamp is dimmable. If you wish to use the dimming feature, ensure you have a compatible dimmer switch installed as part of your electrical system. Follow the dimmer switch manufacturer's instructions for operation.
- **Light Output:** The lamp provides a warm white light (3000 Kelvin) with a brightness of 500 lumens, suitable for general illumination in bathroom settings.

7. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your lamp, follow these simple care instructions:

- **Cleaning:** Wipe the lamp with a soft, damp cloth and a mild cleaner. Do not use abrasive cleaners or solvents, as they may damage the finish.
- **Dusting:** Regularly dust the lamp with a dry, soft cloth to prevent dust buildup.
- **LED Lifespan:** The integrated LED light source has a long lifespan of approximately 25,000 hours and is not replaceable. If the LED fails, the entire lamp unit must be replaced.
- **Safety:** Always disconnect power to the lamp at the circuit breaker before cleaning or performing any maintenance.

8. TROUBLESHOOTING

If you experience issues with your IKEA Godmorgon LED Cabinet Wall Lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply; loose wiring; faulty wall switch; tripped circuit breaker.	Check if the circuit breaker is tripped and reset it. Ensure the wall switch is in the ON position. Verify all electrical connections are secure (consult a qualified electrician if unsure).
Light flickers or is dim.	Incompatible dimmer switch; loose wiring; power fluctuations.	Ensure your dimmer switch is compatible with LED lighting. Check for loose wiring. If the problem persists, consult a qualified electrician.
Lamp makes unusual noise.	Loose components; electrical issue.	Immediately turn off power at the circuit breaker. Do not use the lamp. Contact a qualified electrician or IKEA customer service.

If the problem persists after attempting these solutions, please contact IKEA customer service for further assistance.

9. RECYCLING AND DISPOSAL

This product contains electronic components and should not be disposed of with general household waste. Please follow local regulations for the recycling and disposal of electrical and electronic equipment.

- For information on recycling this and other types of lamps, please refer to your local waste management authority or recycling centers.
- If the lamp is broken or damaged, handle it with care to avoid injury. Information on the disposal of broken or damaged lamps can be found through your local recycling guidelines.

IKEA is committed to environmental responsibility. Please help us by disposing of this product responsibly.

10. WARRANTY AND SUPPORT

For information regarding the warranty period and terms for your IKEA Godmorgon LED Cabinet Wall Lamp, please refer to the purchase receipt or contact IKEA customer service directly. Warranty terms may vary by region.

If you require technical support, have questions about installation, or need to report a defect, please contact IKEA customer service through their official website or local store. Have your product model number (502.509.11) and purchase details ready when contacting support.

You can find contact information for IKEA customer service on the official IKEA website: www.ikea.com
