Sluban M38-B0689

Sluban M38-B0689 WWII T-34/85 Medium Tank Building Set Instruction Manual

Model: M38-B0689

1. Safety Warnings

WARNING: Not suitable for children under 3 years of age due to small parts which may present a choking hazard. Adult supervision is recommended during assembly and play.
Keep all packaging materials away from children. This product contains small components. Ensure all pieces are securely connected to prevent detachment.

2. Product Overview

The Sluban M38-B0689 is a 2-in-1 building set designed to construct a detailed model of the WWII T-34/85 Medium Tank. This set comprises 687 pieces, offering an engaging and educational building experience. The finished model features intricate details and movable components, providing both a challenging assembly and an impressive display piece.

Figure 2.1: The Sluban M38-B0689 building set packaging, showing the main T-34/85 tank model and a smaller alternative build, along with minifigures. The box indicates "WWII" and "2 in 1" features.

3. Parts List

This building set contains 687 individual pieces. A comprehensive, detailed parts list is provided within the product packaging. Please refer to the included instruction booklet for a visual inventory of all components.
Before beginning assembly, carefully open all bags and verify that all 687 pieces are present and accounted for against the provided list. If any pieces are missing or damaged, please contact customer support.

4. Setup and Assembly

Assembly of the Sluban M38-B0689 building set requires careful attention to the step-by-step instructions provided in the color instruction manual included in the box.

1. **Preparation:** Clear a well-lit, flat, and stable workspace. Organize the building blocks by color and type to facilitate easier assembly.

2. **Follow Instructions:** Refer to the detailed, color-illustrated instruction booklet. Each step is clearly depicted to guide you through the construction process.
3. **Piece Connection:** Ensure each piece is firmly connected to the previous one. Proper connection is crucial for the stability and integrity of the final model.
4. **2-in-1 Build:** This set offers two possible configurations. Decide which model you wish to build before starting, or follow the instructions for the primary T-34/85 tank model first.
5. **Verification:** After completing each major section, double-check your work against the images in the instruction manual to ensure accuracy.

The assembly process is designed to enhance building skills and logical thinking. Take your time and enjoy the construction.

5. Operating the Model

Once assembled, the Sluban M38-B0689 T-34/85 Medium Tank model can be interacted with in several ways:

- **Turret Rotation:** The tank's turret is designed to rotate, allowing for dynamic posing.
- **Gun Elevation:** The main gun can be adjusted for elevation, simulating firing positions.
- **Track Movement:** The tank features functional tracks. While not motorized, they can be manually rolled across smooth surfaces.
- **Minifigure Placement:** Place the included minifigures in the tank's hatches or alongside the model to create scenes.

Handle the model with care to prevent accidental detachment of pieces. Avoid applying excessive force to movable parts.

6. Maintenance

To ensure the longevity and appearance of your Sluban M38-B0689 model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation. Keep it away from extreme temperatures.
- **Handling:** Always handle the model by its base or sturdy sections to avoid putting stress on smaller, delicate parts.

7. Troubleshooting

Should you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Double-check the packaging and your workspace. If a piece is genuinely missing, refer to the "Parts List" section for contact information.
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces for the step. Apply gentle, even pressure. If a piece does not fit, do not force it, as this may cause damage. Re-examine the instructions.
- **Model Instability:** Review previous assembly steps to ensure all connections are secure and pieces are correctly oriented. Loose connections can lead to instability.
- **Incorrect Assembly:** If a section appears incorrect, carefully backtrack through the instructions to identify the error. Disassemble only the necessary parts to correct it.

8. Specifications

Model Number:	M38-B0689
Brand:	Sluban
Product Dimensions:	33 x 6.7 x 52 cm (packaging)
Item Weight:	1.01 Kilograms
Number of Pieces:	687
Material Type:	Plastic
Recommended Age:	3 years and up (Manufacturer's recommendation)
Educational Objective:	Building skills
Special Feature:	Non-toxic
Certifications:	CE, RoHS, ISO 9001:2016

9. Warranty and Support

Sluban products are manufactured to high-quality standards. For information regarding warranty coverage, please refer to the documentation included with your purchase or visit the official Sluban website.
For technical assistance, missing parts, or any other inquiries, please contact Sluban customer support. Contact details can typically be found on the product packaging or the official brand website.
Online Support: Visit the Sluban Store on Amazon for more product information and potential support links.
