Serta Copenhagen 61" Loveseat Sofa Instruction Manual

Model: UPH2001368

1. PRODUCT OVERVIEW

The Serta Copenhagen Small Loveseat Sofa is designed for modern style, everyday comfort, and space-saving functionality, making it ideal for apartments, bedrooms, home offices, and other compact living spaces. It features rolled arms, clean lines, and piped edges, offering a timeless aesthetic that complements both classic and modern interiors. The buttercream polyester upholstery is durable, easy to care for, and resistant to pilling for long-lasting use. Loose pillow backs provide soft comfort, while seat cushions with high-density foam and individually wrapped pocket coils offer supportive, semi-plush seating. This compact loveseat is built with a solid wood frame, sinuous spring support, and includes removable seat cushion covers for easy maintenance. It is designed for easy one-box assembly.

Video 1: Official Sofa Assembly Video. This video demonstrates the step-by-step process for assembling your Serta Copenhagen Loveseat, highlighting the tool-free construction.

1. Unpack all components from the single box. Lay out all pieces to ensure nothing is missing.
2. Connect the main frame sections. The design allows for simple, tool-free construction.
3. Attach the legs to the base of the sofa.
4. Place the seat cushions onto the frame. Ensure they are properly aligned.

5. Position the back cushions. These are loose and can be adjusted for comfort.

3. OPERATING AND USAGE

Seating Capacity and Weight Limit

The Serta Copenhagen 61" Loveseat Sofa is designed to comfortably seat 2 individuals. It has a maximum weight capacity of 450 pounds. Please adhere to these limits to ensure the longevity and safety of the product.

Comfort and Design

The loveseat features pocket coil seat cushions with high-density foam for a supportive yet comfortable semi-plush feel. The loose pillow backs are filled with soft fibers, allowing you to adjust them for your preferred level of comfort. The rolled arms provide a classic look and can be used for leaning on or hanging legs over the side.

4. MAINTENANCE AND CARE

Upholstery Care

The polyester upholstery is designed for easy maintenance. For general cleaning, use a damp cloth and dab gently. For more stubborn spots, you may rub gently as needed. Avoid harsh chemicals or abrasive cleaners that could damage the fabric.

Removable Covers

The seat cushion covers are removable, allowing for more convenient cleaning. Refer to the care tag on the covers for specific washing instructions.
