The Namesake Winston 4-in-1 Convertible Crib is designed for hassle-free setup with easy-to-follow instructions. While the product specifications indicate "Required Assembly: No", this refers to specialized assembly, and standard user assembly is still required. All necessary components for the crib configuration are included. For conversion to a toddler bed or full-size bed, separate conversion kits (Toddler Bed Conversion Kit #15599 & Full-Size Bed Conversion Kit #15399) must be purchased.

Adjustable Mattress Heights:

The crib features four adjustable mattress heights to accommodate your baby's growth and ensure ease of access for parents. Adjust the mattress support to the highest position for newborns, lowering it as your baby develops the ability to roll over, sit up, and stand.
