

Fjords Mustang

Fjords Mustang Large Leather Recliner Chair and Ottoman Instruction Manual

Model: Mustang (Large Size, Black Leather, Cherry Wood)

Brand: Fjords

INTRODUCTION

This manual provides essential information for the safe and proper use, assembly, and maintenance of your Fjords Mustang Large Leather Recliner Chair and Ottoman. Please read these instructions thoroughly before use and retain for future reference.

SAFETY INFORMATION

Adhering to the following safety guidelines will ensure safe operation and prolong the life of your recliner:

- Always observe the maximum weight limit of 300 pounds to maintain stability and prevent damage.
- Do not attempt to adjust the chair's position while it is occupied.
- Keep the chair away from direct heat sources, such as radiators or fireplaces, to prevent damage to the leather and foam.
- Assemble and place the chair on a stable, level surface to ensure proper function and prevent tipping.
- Do not leave the chair unattended in a reclined position, especially if children or pets are present, to prevent accidents.

COMPONENTS LIST

Your Fjords Mustang Recliner Chair and Ottoman package includes the following:

- 1 x Fjords Mustang Recliner Chair
- 1 x Matching Ottoman

Both the chair and ottoman are delivered largely pre-assembled.

SETUP AND ASSEMBLY

The Fjords Mustang Recliner Chair and Ottoman are designed for minimal setup. Follow these steps to prepare your furniture for use:

1. **Unpacking:** Carefully remove all packaging materials from the chair and ottoman. Ensure no components are accidentally discarded.
2. **Placement:** Position the chair and ottoman on a stable, level surface in your desired location. Ensure adequate space around the chair for reclining and swiveling.
3. **Headrest Adjustment:** The headrest pillow is adjustable. Gently slide it up or down to find your preferred height for optimal neck support.

OPERATING INSTRUCTIONS

Reclining Function (Active Release System)

The Fjords Mustang Recliner features an integrated Active Release System for personalized neck and back support. This

system responds to your body's movements.

1. **Adjusting Recline:** To recline, lean back gently. The chair's unique gliding mountings respond to your body weight, allowing you to find your optimal resting position.
2. **Returning Upright:** To return to an upright position, lean forward slightly. The chair will smoothly adjust.
3. **Neck Support Adjustment:** The Active Release System allows for adjustment of the neck support with a single movement. Experiment to find the most comfortable angle for your neck.

Swivel Function

The chair base allows for a smooth 360-degree swivel motion. Simply rotate the chair to your desired direction.

Ottoman Use

The accompanying ottoman is designed to provide continuous leg support, promoting better blood circulation and reducing fatigue. Position it comfortably in front of the recliner.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your Fjords Mustang Recliner.

Leather Care

The Fjords Mustang Recliner is upholstered in genuine leather. Follow these guidelines for optimal care:

- **Cleaning:** Wipe clean with a soft, damp cloth. For specific leather care, use products recommended for genuine

- leather. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Keep the chair away from direct sunlight and heat sources to prevent drying, fading, or cracking of the leather.
 - **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub, as this can spread the stain.

Wood Base Care

The laminated wood base should be wiped clean with a soft, dry cloth. Avoid excessive moisture.

TROUBLESHOOTING

This section addresses common issues you might encounter with your Fjords Mustang Recliner.

Chair Does Not Recline Smoothly

Possible Cause: Obstruction or uneven weight distribution.

Solution: Ensure there are no objects obstructing the reclining mechanism. Adjust your seating position to distribute weight evenly. The gliding mechanism relies on body weight for smooth operation.

Headrest Feels Uncomfortable

Possible Cause: Headrest is not adjusted to your height.

Solution: The headrest is adjustable. Gently slide it up or down to find the optimal position for your neck and head support.

Squeaking Noises

Possible Cause: Minor friction in moving parts.

Solution: In most cases, minor squeaking will resolve with regular use. If persistent, contact customer support. Avoid applying lubricants yourself, as this may damage components or void the warranty.

Leather Appears Dry or Faded

Possible Cause: Exposure to direct sunlight or heat, lack of proper conditioning.

Solution: Ensure the chair is not placed in direct sunlight or too close to heat sources. Regularly wipe the leather with a soft, damp cloth and consider using a leather conditioner specifically designed for genuine leather, following the product's instructions.

WARRANTY AND SUPPORT

Fjords provides the following warranty for the Mustang Recliner Chair and Ottoman:

- **Steel Components:** 10-year parts warranty.
- **Foam and Wood:** 5-year warranty.
- **Power Components (if applicable):** 3-year warranty.

For warranty claims, technical assistance, or further inquiries, please contact Fjords customer support through their official website or authorized retailers.
