

HW RD-10

HW RD-10 Hot Wheels 2009 Track Stars Diecast Car Instruction Manual

Model: RD-10 (065/190)

1. INTRODUCTION

This manual provides essential information for the HW RD-10 Hot Wheels 2009 Track Stars diecast car, model number 065 from the 190-car series. This 1/64 scale collectible vehicle is designed for display and play on Hot Wheels tracks. Please read these instructions carefully to ensure proper handling and care of your diecast car.

2. PRODUCT OVERVIEW

Figure 1: Front view of the RD-10 Hot Wheels car in its blister packaging. The car features a futuristic design with blue, white, and red colors, adorned with stars, indicating a patriotic theme. The packaging displays the car's name "RD-10" and series number "065/190".

The RD-10 is a 1/64 scale diecast model, part of the 2009 Track Stars series. It features a distinctive aerodynamic design, primarily in blue and white with red and star-spangled details. This model is identified as 065 out of 190 cars in the series.

3. SETUP AND DISPLAY

1. **Unpackaging:** Carefully remove the diecast car from its blister packaging. Avoid using sharp objects that could scratch the car or packaging.
2. **Inspection:** Before use, inspect the car for any manufacturing defects or damage.
3. **Display:** For collectors, the car can be displayed in its original packaging or placed on a shelf or display case. Ensure it is placed on a stable, flat surface away from direct sunlight or extreme temperatures.

4. OPERATING INSTRUCTIONS

The RD-10 diecast car is designed for use on Hot Wheels tracks or for imaginative play. It does not require batteries or external power.

- **Track Play:** Place the car on a compatible Hot Wheels track. Ensure the wheels are properly aligned with the track grooves for optimal performance.
- **Manual Play:** The car can be rolled manually on flat surfaces.
- **Safety Note:** This product is not suitable for children under 3 years due to small parts which may present a choking hazard. Adult supervision is recommended during play.

5. MAINTENANCE AND CARE

- **Cleaning:** To clean the diecast car, gently wipe it with a soft, dry cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the paint finish or decals.
- **Storage:** Store the car in a cool, dry place away from direct sunlight, high humidity, and extreme temperature fluctuations. Prolonged exposure to these conditions can cause paint fading or material degradation.
- **Handling:** Handle the car by its body to avoid bending or damaging the axles or wheels.

6. TROUBLESHOOTING

Diecast cars are generally robust, but minor issues can occur.

- **Wheels not rolling smoothly:** Check for any debris or hair caught in the axles. Gently remove any obstructions. Ensure the axles are not bent.
- **Paint chips or scratches:** These are typically a result of impact or rough handling. Minor chips may be touched up with model paint, but this is at the owner's discretion and may affect collector value.
