3. PRODUCT FEATURES

- **Material:** Constructed from stainless steel with an anodized coating, ensuring reusability and rust resistance.
- **Function:** Designed to reduce anxiety, relieve stress, and promote circulation in the fingers through a massaging action.
- **Elasticity:** The rings are elastic, allowing them to fit most finger sizes.

Move it up and down to create pressure and sensation that helps promote blood circulation

4. SAFETY INFORMATION

These rings are light and small objects. They are not suitable for children under 3 years old due to potential choking hazards.

5. SETUP

1. Remove the acupressure rings from their packaging.
2. Clean the rings if necessary before first use.
3. Select a ring based on personal preference.

6. OPERATING INSTRUCTIONS

To use the acupressure ring:

1. Place the selected ring onto a finger.

2. Gently scroll the ring up and down the finger. This action creates pressure and a sensory sensation, which is intended to provide a massage effect and promote circulation.
3. Continue rolling for a desired duration.

The elastic nature of the ring allows it to adapt to various finger sizes during the rolling motion.

7. MAINTENANCE

- **Cleaning:** The rings can be cleaned with mild soap and water. Ensure they are thoroughly dried after cleaning to maintain their rust-proof quality.
- **Storage:** Store the rings in a dry place away from direct sunlight when not in use.
- **Durability:** While designed to be reusable, excessive force or improper handling may affect the ring's structure.

8. TROUBLESHOOTING

- **Ring feels too tight:** Ensure the ring is being rolled up and down the finger rather than worn stationary for extended periods. The rings are designed for dynamic massage, not static wear. If discomfort persists, discontinue use.
- **Ring comes apart:** The rings are constructed from coiled wire. If a ring separates, it may be possible to carefully re-coil it. Handle with care to prevent separation.
