## 8. Charging

The BREO i-Brain 5S BRH5000H is rechargeable via USB. Use the provided USB cable and AC adapter for charging. A full charge ensures optimal performance and portability. The device is designed for overseas use, making it convenient for travel.

## 9. Maintenance and Care

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** Store the device in its dedicated storage bag in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** This product is not waterproof. Exercise caution to prevent water damage.

## 10. Troubleshooting

If you encounter any issues with your BREO i-Brain 5S BRH5000H, please refer to the following common solutions:

- **Device not turning on:** Ensure the device is fully charged. Connect it to the charger and wait for the charging indicator.
- **No massage function:** Check if the device is powered on and a mode is selected.
- **Discomfort during use:** Adjust the fit of the device on your head. Ensure the straps are not too tight. If discomfort persists, discontinue use.
- **Charging issues:** Verify that the USB cable and AC adapter are properly connected and that the power outlet is functional.

For further assistance, please contact BREO customer support.

## 11. Specifications

Product Size	29.6 x 23.6 x 29.4 cm
