GUESS Sunglasses GU-6937 05B Instruction Manual

Model: GU-6937 05B | Brand: GUESS

INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your new GUESS Sunglasses, model GU-6937 05B. Please read these instructions carefully to ensure optimal performance and longevity of your eyewear.

Image 1: GUESS Sunglasses model GU-6937 05B, featuring a glossy black frame, silver accents, and grey gradient lenses.

SETUP AND INITIAL USE

Your GUESS Sunglasses are ready for immediate use. Follow these steps for initial setup:

- Unpacking:** Carefully remove the sunglasses from their packaging. Inspect for any visible damage or defects.
- Fit Adjustment:** Gently place the sunglasses on your face. Ensure the nose pads rest comfortably on your nose bridge and the temples extend securely over your ears without causing pressure. If the fit is too loose or too tight, minor adjustments to the temples or nose pads may be possible by an optical professional.

3. **Lens Inspection:** Check the lenses for clarity. Remove any protective films or smudges using the provided cleaning cloth.

OPERATING INSTRUCTIONS

These sunglasses are designed to provide protection from harmful UV rays and reduce glare.

- **UV Protection:** The lenses offer 100% UV protection, shielding your eyes from UVA and UVB rays.
- **Glare Reduction:** The grey gradient lenses are effective in reducing brightness and glare, making them suitable for various light conditions.
- **Proper Handling:** Always hold the sunglasses by the frame, not the lenses, to avoid smudges and potential damage.
- **Intended Use:** These sunglasses are intended for general purpose use and are not designed as safety glasses for industrial or sports applications requiring impact resistance.

MAINTENANCE AND CARE

Proper maintenance will extend the life and preserve the appearance of your sunglasses.

- **Cleaning Lenses:**
 - Use the provided microfiber cleaning cloth to gently wipe lenses.
 - For stubborn smudges, rinse lenses with lukewarm water and a mild soap (avoid harsh chemicals). Dry with a clean, soft cloth.
 - Do not use paper towels or clothing, as these can scratch the lenses.
- **Cleaning Frame:** Wipe the frame with a damp, soft cloth. Avoid abrasive cleaners.
- **Storage:**
 - When not in use, store your sunglasses in their protective case to prevent scratches and damage.
 - Avoid leaving sunglasses in direct sunlight or extreme heat (e.g., on a car dashboard), as this can warp the frame or damage the lens coating.
- **Handling:** Always fold the temples inward when taking off the sunglasses and place them in their case. Avoid placing them face down on hard surfaces.

TROUBLESHOOTING

Refer to the following common issues and their solutions:

Issue	Possible Cause	Solution
Lenses are smudged or dirty	Fingerprints, dust, or debris	Clean with a microfiber cloth. For heavy dirt, rinse with lukewarm water and mild soap, then dry with a soft cloth.
Sunglasses feel loose	Screws on hinges may have loosened	Gently tighten hinge screws with a small optical screwdriver. Avoid over-tightening. If unsure, consult an optical professional.
Discomfort on nose or ears	Improper fit or nose pad adjustment	Adjust nose pads gently. If discomfort persists, visit an optical professional for a proper fitting.

SPECIFICATIONS

Key specifications for the GUESS Sunglasses model GU-6937 05B:
