SinLoon 2-in-1 Finger Massager Instruction Manual

Model: 680613034229

INTRODUCTION

Thank you for choosing the SinLoon 2-in-1 Finger Massager. This handheld device is designed to provide a soothing massage experience for your fingers and other body parts, promoting blood circulation and relieving muscular tension. Please read this manual carefully before use to ensure proper operation and maintenance.

SAFETY INFORMATION

- Always use this massager gently and avoid sensitive areas, such as around the eyes, without caution.
- Keep out of reach of children.
- Do not disassemble the massager as it contains small parts that may pose a choking hazard.
- If you experience any discomfort or pain during use, discontinue immediately.
- This product is not intended to diagnose, treat, cure, or prevent any disease or health condition. Consult a healthcare professional for any medical concerns.

PRODUCT OVERVIEW

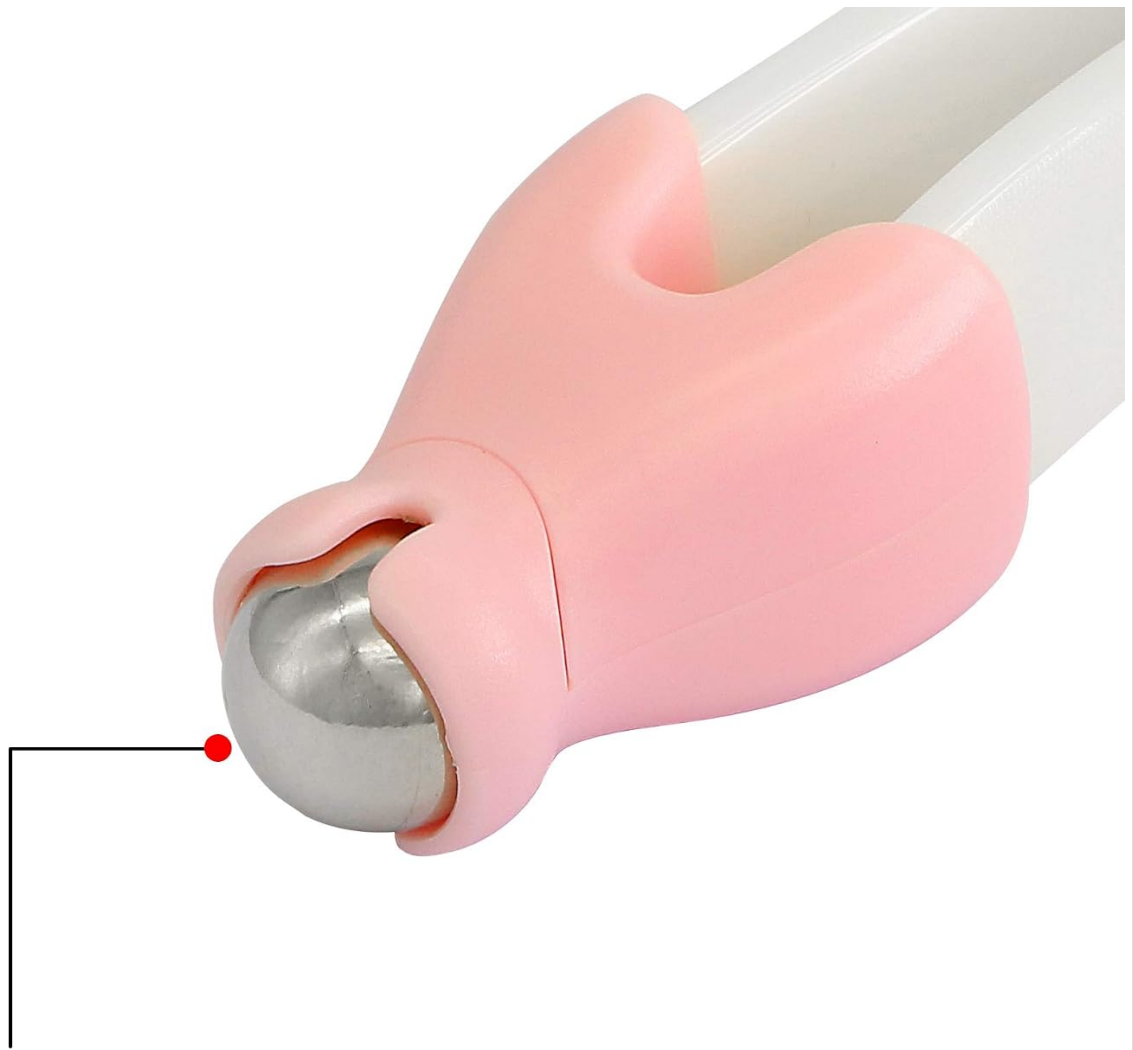

The SinLoon 2-in-1 Finger Massager features a dual-sided design for versatile massage applications.

Figure 1: SinLoon 2-in-1 Finger Massager

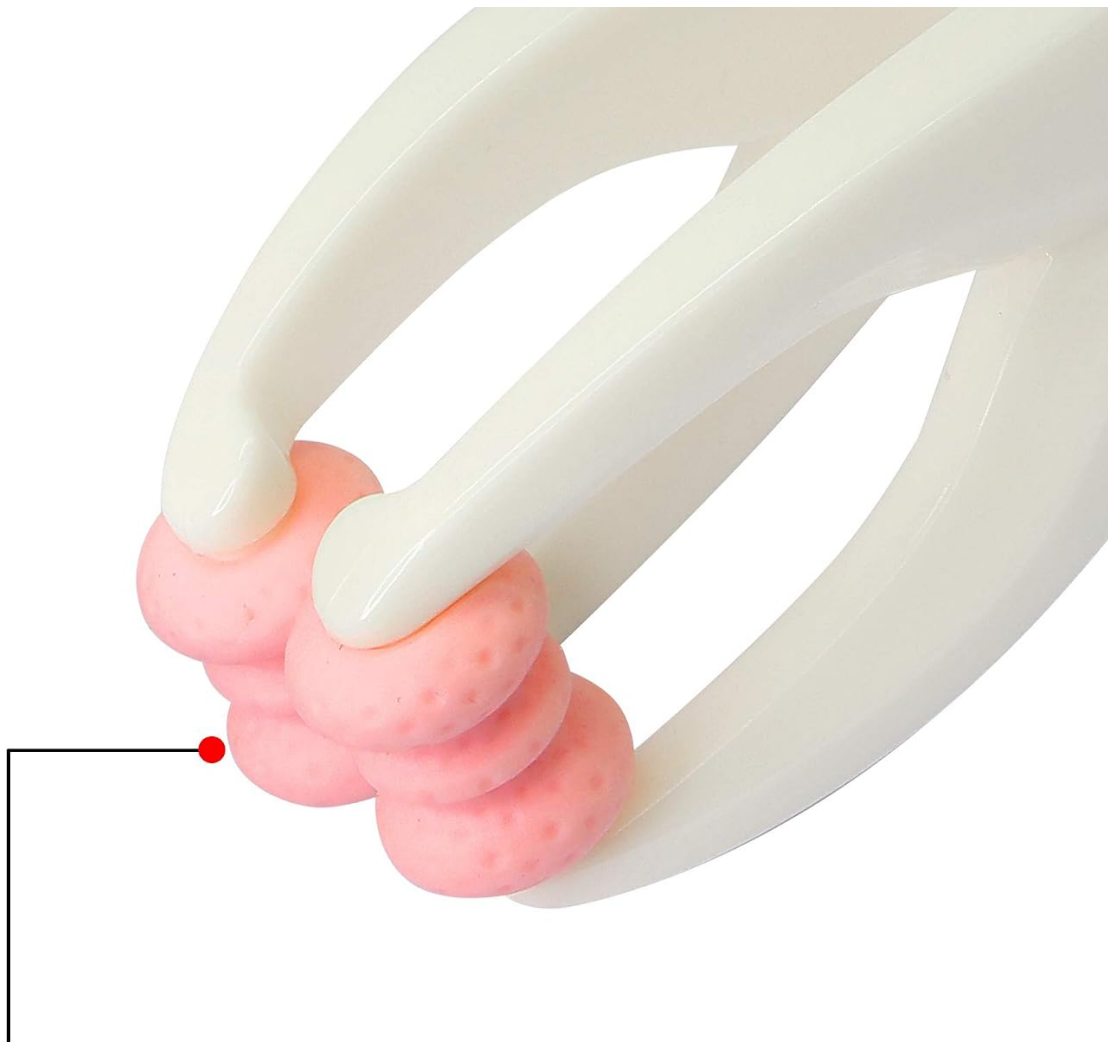

Features:

- **Steel Ball Side:** One end features steel massage balls with full 360-degree rotation. This side is suitable for rolling massage on various body parts including the face, hands, legs, shoulders, neck, and lower back to relieve muscular tension.
- **Double Rubber Roller Side:** The other end is equipped with double rubber rollers. This side is specifically designed to apply pressure to individual fingers, stimulating blood flow and alleviating stiffness in finger joints. The cambered roller design ensures a comfortable touch.
- **Benefits:** Promotes blood circulation, helps eliminate hand fatigue, relieves joint pain, and can assist in treating arthritic joints, diabetic numbness, and carpal tunnel discomfort by stimulating nerves.

**Curved roller design,
comfortable touch,
suitable for any part of the finger**

SETUP

The SinLoon 2-in-1 Finger Massager requires no assembly, batteries, or charging. It is ready for immediate use out of the packaging.

OPERATING INSTRUCTIONS

1. **Select Massage Side:** Choose between the steel ball side for broader rolling massage or the double rubber roller side for targeted finger massage, based on your preference and the area you wish to treat.
2. **Apply to Area:** Gently apply the chosen side of the massager to the desired body part (e.g., individual fingers, palm, back of hand, neck).
3. **Perform Rolling Motion:** Move the massager back and forth or in circular motions. For fingers, roll the rubber rollers along each finger. For other areas, use the steel balls in a rolling motion.
4. **Adjust Pressure:** Use gently and avoid applying excessive pressure. The intensity of the massage should be comfortable and not cause pain.
5. **Duration:** Use for a few minutes at a time, or as needed, to relieve discomfort and promote relaxation.

**Professional hand beauty products,
make fingers more slender,
hand skin smooth and elastic.**

Figure 4: Examples of Hand and Finger Massage

It is applicable to any part of the hand to relax muscles and activate blood circulation.
Relieve finger fatigue

MAINTENANCE

- **Cleaning:** To clean the massager, wipe it with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the massager in a clean, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Discomfort during use:** If you experience any pain or increased discomfort, immediately stop using the massager. Ensure you are applying gentle pressure and not using it on injured or sensitive skin.
- **Massager not rolling smoothly:** Check for any debris or obstructions on the rollers or steel balls. Clean the device as per the maintenance instructions.

SPECIFICATIONS
