Intex 56274

Intex Glitter Inflatable Ring User Manual

Model: 56274

INTRODUCTION

Thank you for choosing the Intex Glitter Inflatable Ring. This product is designed for recreational use in water and features a durable vinyl construction with sparkling glitter inside. Please read this manual carefully before use to ensure safe and proper operation.

IMPORTANT SAFETY INFORMATION

Always follow these safety guidelines to prevent injury or damage to the product:

- **WARNING:** Keep away from any flame or high heat sources.
- This is not a life-saving device. Do not leave children unattended while in use.
- Use only under competent supervision.
- Do not over-inflate.
- Inspect the product for damage before each use.

SETUP INSTRUCTIONS

Inflation

1. Unfold the inflatable ring on a clean, flat surface, free from sharp objects.
2. Locate the inflation valve.
3. Open the valve cap and insert a suitable air pump nozzle (not included).
4. Inflate the ring until it is firm to the touch but not hard. Do not over-inflate.
5. Quickly close the valve cap to prevent air leakage. Ensure the cap is securely sealed.

OPERATING INSTRUCTIONS

Using the Inflatable Ring

- Ensure the inflatable ring is fully inflated before entering the water.
- Enter the ring carefully, ensuring balanced weight distribution.
- The ring is designed for floating and relaxation in calm water.
- The glitter inside the ring will sparkle and reflect light, creating a vibrant effect, especially in sunlight.

MAINTENANCE

Cleaning

Clean the inflatable ring with mild soap and water. Rinse thoroughly with clean water and allow it to air dry completely before deflating and storing.

Storage

Deflate the ring by opening the valve and gently pressing out the air. Fold it neatly and store it in a cool, dry place, away from direct sunlight and sharp objects. Keeping the product clean and dry before storage will prolong its lifespan.

TROUBLESHOOTING

Air Leakage

- **Check Valve Cap:** Ensure the inflation valve cap is securely closed.
- **Inspect for Punctures:** Submerge the inflated ring in water and look for air bubbles to locate small punctures. Mark the area.

- **Repairing Punctures:** For small punctures, use a vinyl repair kit (sold separately). Clean and dry the area around the puncture, apply the patch according to the kit's instructions, and allow sufficient drying time before re-inflating.

SPECIFICATIONS

Feature	Detail
Brand	Intex
Model Number	56274
Product Dimensions (L x W x H)	22.8 x 6.3 x 20 cm (packaged)
Inflated Diameter	107 cm
Weight	740 grams
Material Type	Durable Vinyl (0.30 mm thick)
Color	Gold / Pink (assorted)
Style	Glitter
Age Range (Description)	Child
Batteries Included?	No
ASIN	B07M8NDSRD
International Article Code	06941057414188
