

## Dowinx LS-6688-GREY

# Dowinx Gaming Chair Instruction Manual

Model: LS-6688-GREY

## 1. PRODUCT OVERVIEW

The Dowinx Gaming Chair is an ergonomic racing-style recliner designed for extended periods of use, whether for gaming, office work, reading, or napping. It features massage lumbar support, a retractable footrest, and adjustable components for personalized comfort.

### Key Features:

- **NEWLY-ARRIVED:** Extraordinary sitting experience guaranteed by our newly improved linkage armrest and the massage lumbar pillow with a fits-all USB port which helps a lot with easing back pain.
- **EVERYTHING YOU NEED FOR A CHAIR:** High level mobility supported by a 360-degree swivel and ultra-smooth caster wheels; 90°-165° reclining for working, gaming, reading or napping; 20° controllable rocking and retractable footrest for relaxing; Up to 350 lbs capacity, adjustable seat height, highly flexible head pillow and lumbar support.
- **FOR NOT ONLY GAMER:** The trustworthy wingback provides multi-contact for releasing your lumbar pressure while your spine is also well protected by the neck pillow. Plus, the retractable footrest and the re-designed soft wing frame further upgrade your sitting experience.
- **STURDY CONSTRUCTION & ECO FRIENDLY MATERIAL:** Alloy frame covered in quality hand-sewing PU leather and 5 inches high density foam. Upgraded LANT gas cylinder and mechanism largely prolong the life expectancy of the chair.
- **SIMPLE INSTALLATION AND CONSIDERABLE CUSTOMER SERVICE:** Detail instruction manual included in the package. Our 24/7 customer services team, one-month replacement services and one-year repair service, all strive for your better shopping experience with us.

## 2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use to prevent injury or damage.

- For the safety of young children, keep the small extra pieces out of reach.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the chair or use it as a step stool.
- Do not exceed the maximum weight recommendation of 350 pounds.
- Use the chair on a flat, stable surface to prevent tipping.

## 3. PACKAGE CONTENTS

Before beginning assembly, ensure all components are present and undamaged. Refer to the detailed instruction manual included in the package for a complete list of parts.

Figure 2: All components of the Dowinx Gaming Chair laid out for assembly, including the seat, backrest, base, armrests, and hardware.

- Chair Backrest
- Seat Cushion with Mechanism
- Armrests (Left and Right)
- Five-Star Base
- Casters (5 pieces)
- Gas Lift Cylinder with Cover
- Lumbar Support Pillow (with massage function)
- Headrest Pillow
- Retractable Footrest
- Assembly Hardware (screws, washers, Allen wrench)
- User Manual

## 4. SETUP AND ASSEMBLY

Assembly is straightforward and typically takes about 30 minutes. Follow the steps below.

### 4.1. Step-by-Step Assembly Instructions

1. **Attach Casters to Base:** Insert the five casters into the holes at the end of each leg of the five-star base. Ensure they are firmly seated.
2. **Install Gas Lift:** Place the gas lift cylinder into the center hole of the five-star base. Cover it with the telescopic plastic cover.
3. **Attach Mechanism to Seat:** Align the mechanism with the pre-drilled holes on the underside of the seat cushion.

Ensure the front of the mechanism faces the front of the seat. Secure with screws using the provided Allen wrench.

4. **Attach Footrest:** Secure the retractable footrest assembly to the underside of the seat mechanism using the designated screws.
5. **Attach Armrests:** Secure the armrests to the sides of the seat cushion using the provided screws. Ensure they are firmly attached.
6. **Connect Backrest to Seat:** Attach the backrest to the seat cushion by aligning the metal brackets on the backrest with the corresponding holes on the seat. Secure with screws.
7. **Place Assembled Top onto Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder, ensuring it is centered and stable.
8. **Attach Lumbar and Headrest Pillows:** Secure the lumbar support pillow and headrest pillow to the chair using their integrated straps. The lumbar pillow can be plugged into a USB power source for massage functionality.

# ERGONOMIC DESIGN

Special design of the backrest conforms to  
the natural curvature of the spine

## 5. OPERATING INSTRUCTIONS

---

The Dowinx Gaming Chair offers multiple adjustment options for optimal comfort and functionality.

### 5.1. Height Adjustment

To adjust the chair's height, locate the lever on the right side, beneath the seat. Pull the lever upwards while sitting on the chair to lower it, or pull the lever upwards while standing to raise it. Release the lever to lock the height.

### 5.2. Reclining Function

The chair features a 90°-165° reclining function. To recline, pull the lever on the left side of the seat upwards and lean back to your desired angle. Release the lever to lock the backrest in place.

Figure 4: The Dowinx Gaming Chair fully reclined to 165 degrees with the footrest extended, illustrating its suitability for resting or napping.

### 5.3. Rocking Function

The chair has a 20° controllable rocking function. To enable rocking, pull the lever on the right side (same as height adjustment) outwards. Push the lever inwards to lock the rocking function. The tension of the rocking can be adjusted by turning the knob located underneath the seat, towards the front.

### 5.4. Retractable Footrest

To use the footrest, pull it out from underneath the seat. Push it back in when not in use. The footrest provides additional support for relaxation.

# SOFT PADDED LINKAGE ARMRESTS

Don't have to worry about armrest shaking

Figure 5: Close-up of the soft padded linkage armrests, designed to provide stable elbow support in various positions and prevent wobbling.

## 5.5. Massage Lumbar Pillow

The lumbar pillow includes a massage function. Connect the USB cable from the lumbar pillow to any standard USB power source (e.g., computer, power bank, USB wall adapter). The massage function will activate upon connection. There is no separate on/off button; unplug to stop the massage.

# ENLARGED BACKREST AND SEAT

The most **oversized** gaming chairs compared with other products

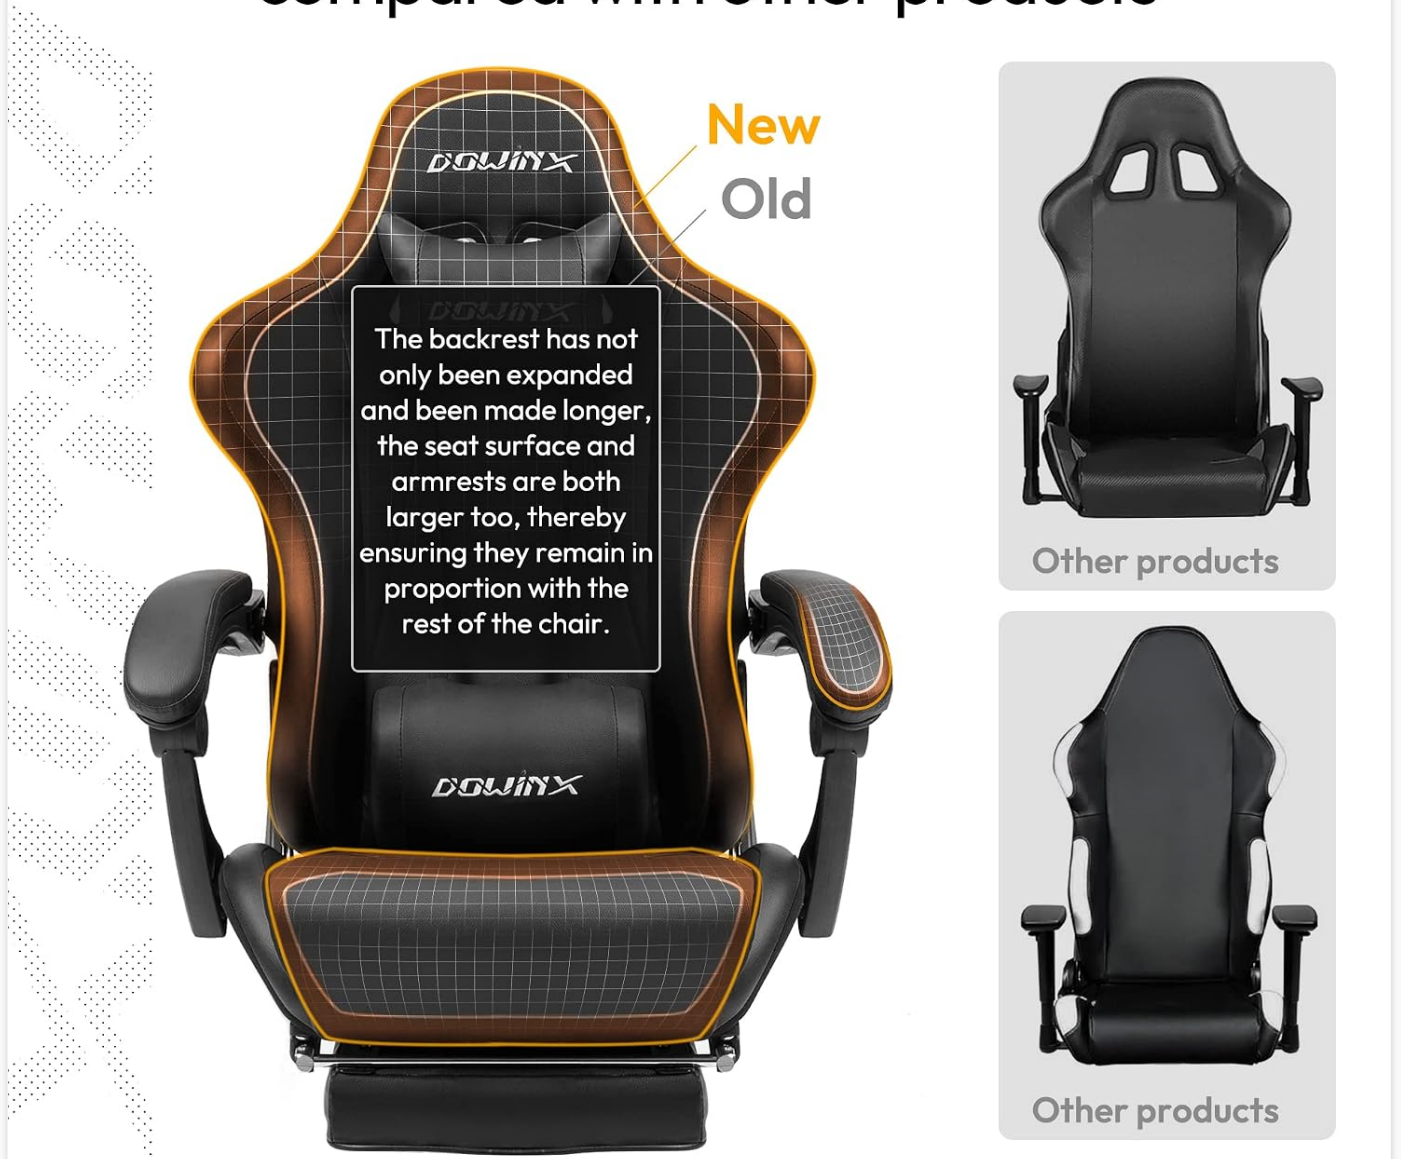

Figure 6: The memory foam headrest and massage lumbar pillow, highlighting how they adapt to body contours and provide vibration for soreness relief.

## 6. MAINTENANCE

Proper care and maintenance will extend the life of your Dowinx Gaming Chair.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the PU leather.
- **Regular Checks:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Caster Care:** Keep the caster wheels free of debris (hair, dust, etc.) to ensure smooth rolling.

## 7. TROUBLESHOOTING

If you encounter any issues with your chair, refer to the common problems and solutions below.

| Problem                                                   | Possible Cause                                | Solution                                                                                                                                                  |
|-----------------------------------------------------------|-----------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Chair squeaks or creaks                                   | Loose bolts, friction between parts.          | Check and tighten all assembly bolts. Apply a small amount of lubricant (e.g., silicone spray) to moving parts if needed.                                 |
| Rocking function does not work well or is too stiff/loose | Tension knob adjustment, weight distribution. | Adjust the tension knob located underneath the seat. Ensure you are seated fully back in the chair to allow for proper rocking motion.                    |
| Armrests feel weak or fall off                            | Loose screws, improper installation.          | Re-tighten the screws securing the armrests to the chair. Ensure they were installed correctly during assembly.                                           |
| Chair does not recline or adjust height smoothly          | Mechanism obstruction, gas lift issue.        | Check for any obstructions around the levers or mechanism. If the issue persists, contact customer service for assistance with the gas lift or mechanism. |
