## SAFETY INFORMATION

## MAINTENANCE

---

Proper care will extend the life and appearance of your patio set.

- **Faux Rattan:** Clean the faux rattan with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Aluminum Frame:** The aluminum frame is rust-resistant. Clean with a soft cloth and mild soap and water.
- **Cushions:** The cushions are covered with a non-porous, water-resistant material. Wipe spills immediately with a damp cloth. For deeper cleaning, use a mild soap solution and rinse. Allow to air dry completely before storing or using. If you have Sunbrella cushion covers, they can be removed and machine washed according to Sunbrella's care instructions.
- **Tempered Glass Top:** Clean the glass with a standard glass cleaner and a soft, lint-free cloth. Avoid placing extremely hot items directly on the glass.
- **General Care:** Cover the furniture when not in use for extended periods or during inclement weather to protect it from the elements. Periodically check all fasteners and tighten if necessary.

## TROUBLESHOOTING

---

If you encounter any issues with your patio set, consider the following common solutions:

- **Wobbly Furniture:** Ensure all bolts and screws are fully tightened. Check that the furniture is placed on a level surface.
- **Cushion Discoloration/Mildew:** This can occur if cushions are left wet for extended periods. Ensure cushions are dry before storing. Clean with a mild bleach solution (1 part bleach to 10 parts water) for mildew, then rinse thoroughly.
- **Scratches on Glass:** Minor scratches can sometimes be buffed out with specialized glass polishing compounds. For deep scratches or cracks, the glass top may need replacement.
- **Rattan Damage:** Small breaks in the faux rattan can sometimes be repaired with appropriate adhesive. For significant damage, contact customer support for advice.
