SHW 55-Inch Commercial-Grade Office Computer Desk (Oak) - Instruction Manual

Model: OD-006-2

1. OVERVIEW

Thank you for choosing the SHW 55-Inch Commercial-Grade Office Computer Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Designed for durability and functionality, this desk is suitable for various home and office environments.

Image: The SHW 55-Inch Commercial-Grade Office Computer Desk in Oak finish, featuring a clean, minimalist design with a white metal frame. A computer monitor is placed on the desk, and a brown leather office chair is positioned beside it. The setting is a bright, modern office with wooden floors and shelving units.

2. PRODUCT FEATURES

- **Integrated Cable Management:** Desk top includes two grommets for organizing and routing cables, maintaining a tidy workspace.
- **Adjustable Stability:** Equipped with adjustable glides to stabilize and balance the desk on uneven floor surfaces.
- **Durable Construction:** Features a robust steel frame with a powder-coated finish and environmentally friendly fiber boards for the desktop.
- **Easy Assembly:** Designed for quick and straightforward assembly with step-by-step instructions and all necessary hardware included.
- **Water-Resistant Surface:** The desktop material offers water resistance, protecting against spills.

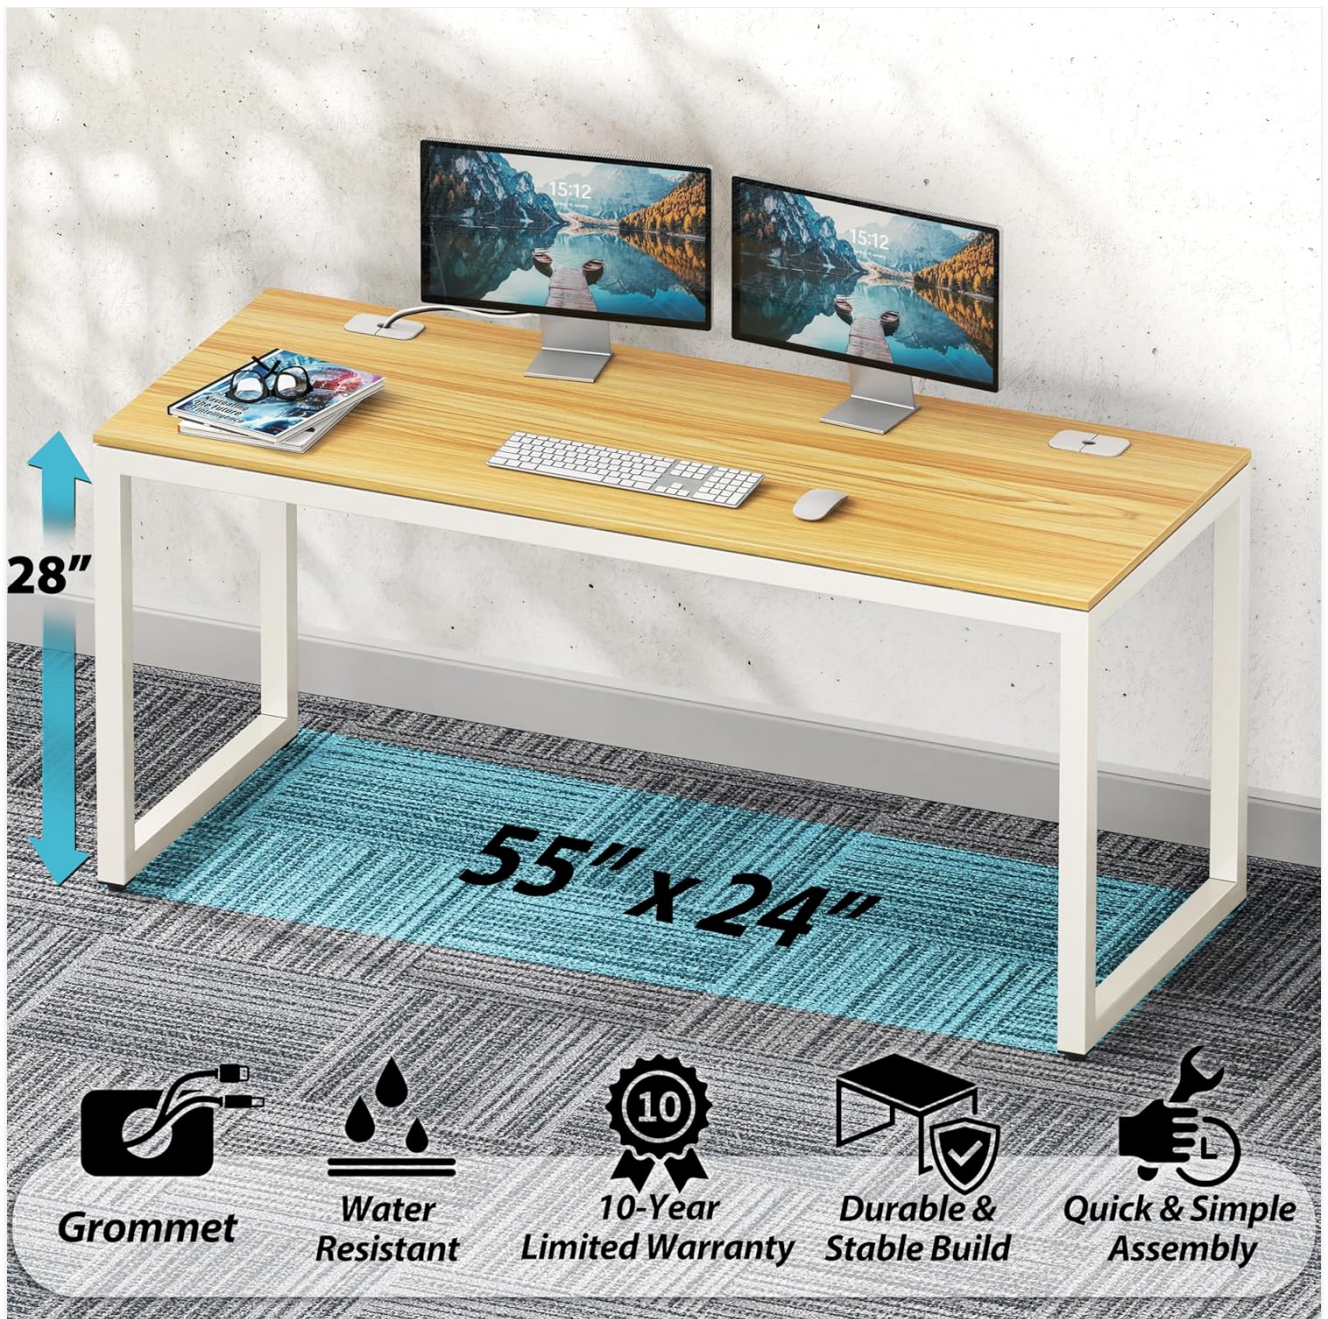

Image: The SHW 55-Inch Commercial-Grade Office Computer Desk in Oak, featuring two computer monitors on its surface. Icons below highlight key features: grommets for cable management, water resistance, a 10-year limited warranty, durable and stable build, and quick and simple assembly.

WATER-RESISTANT & FLOATING DESK DESIGN

Image: A close-up view of the desk's oak-finish surface with a glass of water and a small spill, illustrating the water-resistant and floating desk design.

3. IMPORTANT SAFETY INFORMATION

- **Assembly Surface:** Always assemble the desk on a stable, level surface to prevent damage or injury.
- **Stability Check:** Ensure the desk is fully assembled and stable before placing items on it or using it.
- **Weight Capacity:** This desk has a maximum weight capacity of 150 lbs (68 kg). Do not exceed this limit.
- **Child Safety:** This desk is not intended for use by children without adult supervision.
- **Follow Instructions:** Always follow the assembly instructions carefully to ensure the desk's stability and safety.

4. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop (Engineered Wood)
- Steel Frame Components (Legs, Crossbars)
- Assembly Hardware (Screws, Allen Wrench)
- Adjustable Glides
- Cable Grommets
- Instruction Manual

5. SETUP & ASSEMBLY

Assembly is designed to be straightforward. Please follow these steps carefully.

Step 1: Attach Frame Components

Connect the steel frame components using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten initially.

Step 2: Secure Desktop to Frame

Carefully align the desktop with the assembled frame. Insert and tighten the screws to secure the desktop to the frame. Once all screws are in place, fully tighten all connections.

Step 3: Install Adjustable Glides and Grommets

Screw the adjustable glides into the bottom of the desk legs. Adjust them as needed to ensure the desk is level. Insert the cable grommets into the pre-drilled holes on the desktop.

Image: An assembly diagram illustrating the process of connecting the steel frame components and attaching the desktop. It shows the frame being built and then secured to the tabletop.

Image: A detailed assembly instruction sheet, displaying various components, hardware identification, and a three-step visual guide for putting the desk together.

6. OPERATING INSTRUCTIONS

Your SHW Office Computer Desk is designed for general use as a workstation. Place your computer, monitors, and other office equipment on the desktop. Utilize the integrated grommets to route and manage cables for a clean and organized setup. Adjust the glides on the feet to ensure optimal stability on any surface.

Image: A close-up of the desk surface showing a white computer mouse and a cable neatly routed through one of the integrated grommets, highlighting the cable management feature.

7. MAINTENANCE & CARE

- **Cleaning:** Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Although the desktop is water-resistant, promptly wipe up any spills to prevent potential damage.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Overloading:** Do not place excessive weight on the desk to maintain its structural integrity.

8. TROUBLESHOOTING

- **Wobbling Desk:** If the desk wobbles, adjust the glides on the bottom of each leg until the desk is stable and level.

- **Loose Connections:** If any parts feel loose, re-tighten all assembly screws using the provided Allen wrench.
- **Missing Parts:** If you find any parts missing during assembly, please contact SHW customer support immediately.

9. SPECIFICATIONS

Attribute	Detail
Brand	SHW
Model Number	OD-006-2
Product Dimensions	24"D x 55"W x 28"H (61cm D x 140cm W x 71cm H)
Color	Oak
Style	Modern
Base Material	Alloy Steel
Top Material Type	Engineered Wood
