Key Features:

- **12 Hours of Play Time:** 4 hours per charge with an additional 8 hours from the charging case.
- **Sweat- and Waterproof (IPX7):** Features a double hydrophobic nano-coating for robust performance in wet conditions.
- **Sport Fit:** Interchangeable silicone tips and fins ensure a comfortable and secure fit for various ear sizes.
- **Fast-Charge Battery:** A quick 5-minute charge provides 1 hour of play time.
- **Premium Sound with Custom EQ:** Offers a unique, personalized music experience through customizable equalizer settings.

SETUP GUIDE

1. What's in the Box:

Your Jaybird RUN XT package includes:

- Left earbud
- Right earbud

- 2 sizes Silicone Round Ear Tips (S/M)
- 2 sizes Silicone Oval Ear Tips (S/M)
- 4 sizes Ear-fins (1,2,3,4)
- Charge Case
- USB Charging Cable
- Carry Pouch
- Quick Start Guide
- Jaybird Sticker

4. Bluetooth Pairing:

The Jaybird RUN XT connects seamlessly to your devices via Bluetooth. Refer to the included Quick Start Guide for detailed pairing instructions specific to your device. Ensure Bluetooth is enabled on your device and select "Jaybird RUN XT" from the available devices.

OPERATING YOUR EARBUDS

Media Controls:

The earbuds feature media controls for easy management of your audio. These controls allow you to play, pause, skip tracks, and manage calls directly from the earbuds. Consult the Quick Start Guide for specific button functions.

Customizing Sound with EQ:

Enhance your listening experience by customizing the sound profile using the Jaybird app. The app provides a custom EQ feature, allowing you to adjust bass, treble, and other audio settings to your preference.

Built-in Microphone:

The integrated microphone allows for clear communication during calls, ensuring your voice is heard without interruption.

MAINTENANCE

Cleaning and Care:

To maintain optimal performance and hygiene, regularly clean your Jaybird RUN XT earbuds and charging case. Use a soft, dry

cloth to wipe down the surfaces. For ear tips and fins, you may gently wash them with mild soap and water, ensuring they are completely dry before reattaching to the earbuds.

Waterproof Protection (IPX7):

The earbuds feature IPX7 sweat- and waterproof protection, meaning they can withstand submersion in up to 1 meter of water for 30 minutes. This makes them ideal for intense workouts and various outdoor activities. Always ensure the charging port is dry before charging.

TROUBLESHOOTING

If you encounter issues with your Jaybird RUN XT earbuds, consider the following common solutions:

- **Connectivity Issues:** Ensure both earbuds are charged and within range of your Bluetooth device. Try unpairing and re-pairing the earbuds.
- **Audio Cutting Out:** This can sometimes be caused by interference. Try moving closer to your device or away from other wireless signals. Ensure the earbuds are properly seated in your ears for optimal signal reception.
- **Charging Problems:** Verify that the charging contacts on both the earbuds and the case are clean and free of debris. Ensure the USB cable is securely connected to a power source.
- **Poor Fit/Falling Out:** Experiment with all included ear tip and ear-fin sizes to find the most secure and comfortable combination for your ears.
- **Sound Quality:** Check your custom EQ settings in the Jaybird app. A factory reset might resolve unexpected sound issues.

For persistent issues, refer to the official Jaybird support website or contact customer service.
