MAINTENANCE

Cleaning

To clean your silicone charging dock, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the silicone.

Storage

When not in use, store the stand in a cool, dry place away from direct sunlight. Its compact and lightweight design makes it suitable for travel.

TROUBLESHOOTING

Watch Not Charging

- **Check Charger Connection:** Ensure your Apple Watch magnetic charging cable is properly seated within the stand and connected to a power source.
- **Verify Cable:** Confirm you are using an original Apple Watch magnetic charging cable. Third-party cables may not fit or function correctly.
- **Watch Placement:** Ensure your Apple Watch is correctly placed on the magnetic charging puck, making full contact.

Stand Instability

- **Flat Surface:** Place the stand on a flat, stable surface.
- **Cable Routing:** Ensure the charging cable is correctly routed through the designated channel to prevent unevenness.
