Tribesigns 63-inch Computer Desk (Model HOGA-1005-1) Instruction Manual

Brand: Tribesigns
Model: HOGA-1005-1

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Tribesigns 63-inch Computer Desk. Please read all instructions carefully before assembly and use to ensure proper function and longevity of the product.

SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- Do not exceed the maximum weight recommendation of 900 lbs (approximately 408 kg).
- Properly assemble the desk according to the instructions to ensure stability.
- Keep small parts away from children during assembly to avoid choking hazards.

PARTS LIST

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, contact customer service immediately.

- Desktop (0.59" thick laminated MDF)
- Metal Legs (Powder coated steel, 1.57" x 1.57" width) - 4 pieces
- Leg Bars - 2 pieces
- Adjustable Leg Pads - 4 pieces
- Assembly Hardware (bolts, hex key) - 1 set

SETUP AND ASSEMBLY

Assembly is designed to be straightforward and typically takes less than 15 minutes with the included tools.

1. Unpack all components from the box and lay them out on a soft, clean surface (e.g., a blanket or carpet) to prevent scratches.
2. Attach the four metal legs to the underside of the desktop using the provided bolts and hex key. Ensure the legs are correctly oriented with the pre-drilled holes.
3. Secure the two leg bars between the metal legs. These bars provide additional structural support and stability.

4. Install the adjustable leg pads at the bottom of each leg. These pads can be rotated to make minor height adjustments, ensuring the desk is level and stable on uneven floors.
5. Carefully turn the assembled desk upright.

Reason to Choose Tribesigns Furniture

Modern simple sturdy computer desk with lots of leg room
Frame and legs made from heavy square tube steel

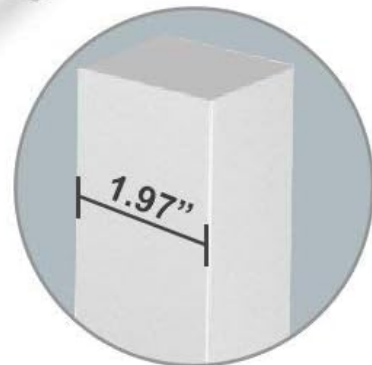

Triangular Junction Design
ensure the stable of desk

Extra Steel Support Bar
enhance the load bearing

Superior Adjustable Leg Pads
keep desk stable even on uneven floor

1.97" thicker steel leg
more solid and sturdy

Figure 1: Assembly Diagram. This diagram illustrates the simple two-step assembly process: attaching the metal legs to the desktop and then securing the leg bars. An included hex key is used for all connections.

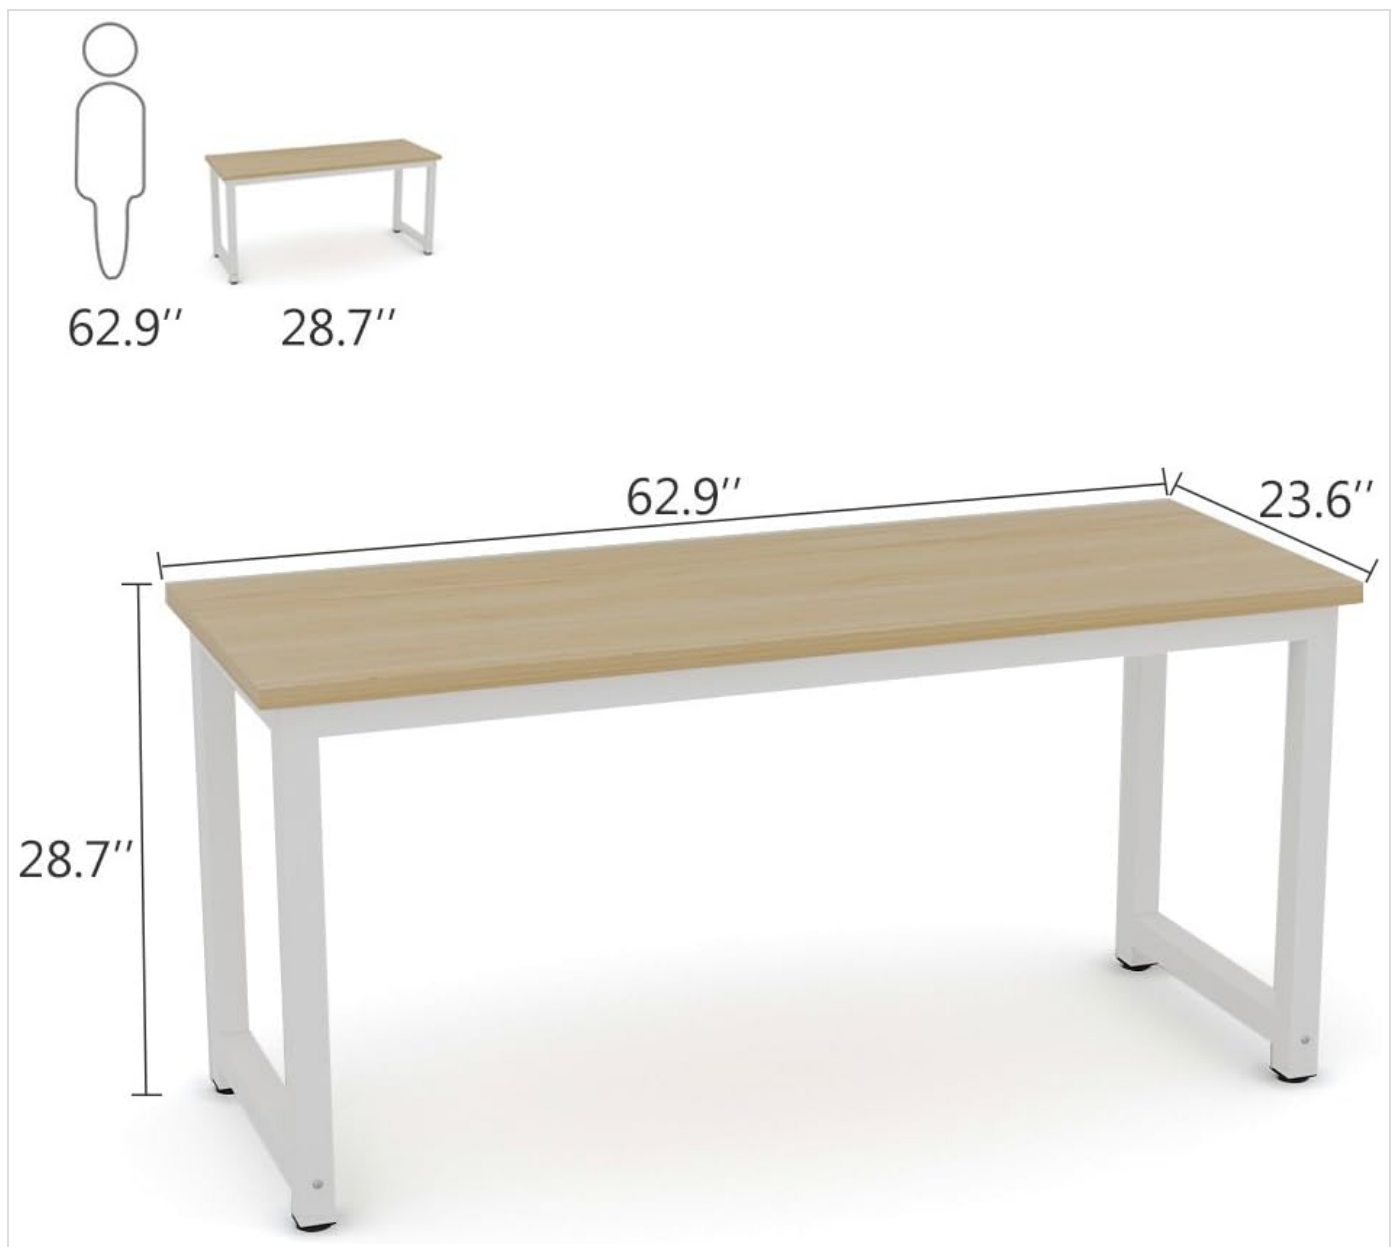

Figure 2: Frame Construction Details. A detailed view of the desk's construction, highlighting the triangular junction design for stability, an extra steel support bar for enhanced load bearing, and superior adjustable leg pads to ensure stability on uneven surfaces. The legs are made from 1.97-inch thick steel.

OPERATING INSTRUCTIONS

The Tribesigns computer desk is designed for versatile use, providing a spacious and sturdy surface for various activities.

- **Spacious Workspace:** The 63" (L) x 23.6" (W) desktop offers ample space for computers, multiple monitors, printers, and other work or study materials.
- **Sturdy Construction:** The robust metal frame and thick laminated MDF desktop ensure stability and can support heavy loads, up to 900 lbs.
- **Adjustable Stability:** The adjustable leg pads allow for minor height adjustments to ensure a level and stable work surface on various floor types, preventing wobbling.

Figure 3: Typical Desk Setup. A visual representation of the Tribesigns computer desk in a typical home office setup, demonstrating its spacious desktop for a computer, accessories, and decorative items.

Figure 4: Ergonomic Use. The desk provides generous legroom, making it comfortable for extended periods of use. An office chair is positioned beneath the desk, illustrating the available space.

MAINTENANCE

To maintain the appearance, durability, and longevity of your Tribesigns computer desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desktop and metal frame with a damp cloth. For tougher stains, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong chemical solvents, or harsh scrubbing pads, as these may damage the laminated finish and powder coating.
- **Regular Checks:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain optimal stability and prevent wobbling.
- **Protect Surface:** Use coasters for drinks and placemats for hot items to prevent water rings or heat damage to the desktop surface.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common troubleshooting tips:

Desk Wobbles

If the desk feels unstable or wobbles:

- Ensure all assembly bolts are securely tightened.
- Adjust the leg pads at the bottom of each leg. Rotate them clockwise or counter-clockwise until the desk is level and stable on the floor.

Loose Connections

If any parts feel loose over time:

- Re-tighten all bolts using the provided hex key. Do not overtighten, as this can strip the threads or damage the material.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Number	HOGA-1005-1
Product Dimensions	23.6"D x 63"W x 28.7"H
Color	Walnut+white
Style	Modern
Base Material	Manufactured Wood, Steel
Top Material Type	Engineered Wood
Finish Type	Powder Coated
Special Feature	Scratch Resistant
Item Weight	48.4 Pounds
Maximum Weight Recommendation	900 Pounds
Required Assembly	Yes
Recommended Number of People for Assembly	1
Includes All Assembly Tools	Yes
Product Care Instructions	Wipe with Damp Cloth

WARRANTY AND SUPPORT

This Tribesigns product comes with an 18-month warranty from the date of purchase, covering manufacturing defects.

For customer service inquiries, technical support, or to report missing/damaged parts, please refer to the contact information provided by your retailer or on the official Tribesigns website. Please have your model number (HOGA-1005-

1) and proof of purchase ready when contacting support.
