SETUP

1. Installing Batteries

The ASHATA 2.4G Wireless Car Mouse requires two AAA batteries (not included). Follow these steps to install them:

1. Locate the battery compartment on the bottom of the mouse.
2. Gently slide the battery cover off.
3. Insert two AAA batteries, ensuring the correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery cover until it clicks securely into place.

Image: The underside of the mouse with the battery cover removed, showing the two AAA battery slots and the USB receiver storage.

2. Connecting the USB Receiver

The mouse connects wirelessly via a USB receiver. The receiver is stored in a dedicated compartment at the bottom of the mouse for convenience.

1. Remove the USB receiver from its storage slot on the bottom of the mouse.
2. Plug the USB receiver into an available USB port on your computer or laptop.
3. The mouse should automatically connect. No additional drivers are typically required for most operating systems (Plug and Play).

OPERATING INSTRUCTIONS

Image: A graphic highlighting the mouse's key operational features: 2.4G Wireless, Plug & Play, High Precision, and Wide Compatibility.

Basic Operation

Once connected, the ASHATA 2.4G Wireless Car Mouse functions like a standard optical mouse:

- **Left Click:** Use the left button for selecting items, opening files, and primary actions.
- **Right Click:** Use the right button for context menus and secondary actions.
- **Scroll Wheel:** The scroll wheel between the left and right buttons allows for vertical scrolling through documents and web pages. It can also be pressed for middle-click functionality.
- **DPI:** The mouse features a 1600 DPI optical sensor for precise tracking. The DPI is fixed at 1600 and is not adjustable.

COMPATIBILITY

The ASHATA 2.4G Wireless Car Mouse offers wide compatibility with various operating systems, ensuring plug-and-play functionality without the need for additional software installation.

- Windows XP
- Windows Vista
- Windows 7
- Windows ME
- Windows 2000
- Mac OS (or later versions)

The bottom of the mouse is equipped with a receiver storage box for easy storage

2 AAA batteries
(Not included)

Mouse positioning accuracy up to 1600 DPI
and equipped with photoelectric technology

MAINTENANCE

Battery Replacement

When the mouse performance degrades or it stops responding, it is likely time to replace the batteries. Refer to the "Installing Batteries" section under Setup for detailed instructions.

Cleaning

To maintain optimal performance and appearance, clean the mouse periodically:

- Use a soft, dry cloth to wipe the exterior of the mouse.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner.
- Avoid using harsh chemicals or abrasive materials, as these can damage the surface.
- Ensure no liquid enters the internal components.

Power Saving

The mouse features a power-saving design to extend battery life. It will enter a sleep mode after a period of inactivity. To conserve power further, utilize the power switch located on the bottom of the mouse when not in use for extended periods.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mouse not responding	Low or dead batteries; USB receiver not properly connected; mouse power switch off.	Replace batteries; ensure USB receiver is firmly plugged into a working USB port; turn on the mouse power switch.
Erratic cursor movement	Dirty optical sensor; poor surface; interference.	Clean the optical sensor on the bottom of the mouse; use on a clean, non-reflective mouse pad or surface; move closer to the USB receiver.
Short wireless range	Obstacles between mouse and receiver; strong electromagnetic interference.	Ensure a clear line of sight between the mouse and receiver; move the receiver to a front USB port if possible; avoid placing near other wireless devices.

SPECIFICATIONS

Feature	Detail
Model Number	ASHATAygr57htu0z-04
Connectivity Technology	2.4G Wireless, USB Receiver
Movement Detection	Optical
DPI	1600 DPI
Power Source	2 x AAA Batteries (not included)
Product Dimensions	3.94 x 1.97 x 1.18 inches (10 x 5 x 3 cm)
Item Weight	1.76 ounces (50 grams)
Color	Pink
Manufacturer	ASHATA
Country of Origin	China
