Goojodoq GOOJODOQ-J09

Goojodoq Bluetooth Sleep Headphones Instruction Manual

Model: GOOJODOQ-J09

1. PRODUCT OVERVIEW

The Goojodoq Bluetooth Sleep Headphones are designed for comfort and convenience, offering a wireless audio experience with noise isolation. Ideal for relaxation, sleep, gym, and sports, these in-ear earbuds provide stable sound transmission and hands-free calling.

Figure 1: Goojodoq Bluetooth Sleep Headphones, showcasing the in-ear earbuds and flexible neckband.

Key Features:

- **Soft and Comfortable Earplugs:** Noise-isolating design effectively blocks background noise, suitable for sleeping, gym, and relaxation.
- **Extended Battery Life:** Up to 18 hours of music playback with only 1-2 hours of charging.
- **Ergonomic Double Layer Design:** Soft and flexible silicone ear tips fit most ear sizes for secure and comfortable wear.
- **HD Sound & Hands-Free Calls:** Bluetooth 4.2 technology provides superior acoustic quality and a built-in HD microphone for clear calls.
- **In-line Controls:** Easy access to volume, track control, play/pause, and call management.

2. PACKAGE CONTENTS

Please check the package to ensure all items are present:

- Goojodoq Bluetooth Sleep Headphones
- USB Charging Cable
- User Manual (this document)

3. SETUP AND PAIRING

3.1 Charging the Headphones

Before first use, fully charge your headphones. The charging time is approximately 1-2 hours for up to 18 hours of music playback.

1. Connect the provided USB charging cable to the charging port on the headphones.
2. Connect the other end of the USB cable to a USB power adapter (not included) or a computer's USB port.
3. The indicator light will show charging status (refer to LED indicator section for details).
4. Once fully charged, disconnect the cable.

3.2 Bluetooth Pairing

The headphones use Bluetooth 4.2 for stable connection. They are compatible with iPhone, iPad, iPod touch, Samsung smartphones, and tablets, and other Bluetooth-enabled devices within a 10-meter range.

1. Ensure the headphones are turned off.
2. Press and hold the Multi-function button (usually the center button on the in-line control) for 3-5 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices. You should see "goojodoq" or a similar name in the list.
5. Select the headphone name to connect. Once successfully paired, the LED indicator will flash blue slowly, and you may hear a confirmation tone.

Enhanced Bluetooth 4.2

Bluetooth 4.2 enables stable connection and high-fidelity sound quality

Figure 2: Example of a device's Bluetooth pairing screen, showing the "goojodoq" headphones ready for connection.

Note: Once paired, the headphones will automatically connect to the last paired device when turned on, if the device's Bluetooth is active and within range.

4. OPERATING INSTRUCTIONS

4.1 Wearing the Headphones

The soft silicone earplugs are designed for comfortable, long-term wear, including during sleep. The flexible neckband allows the headphones to be worn around the neck when not in use.

Free Control

Easy to use the Microphone and activate the function of Siri, calls and music

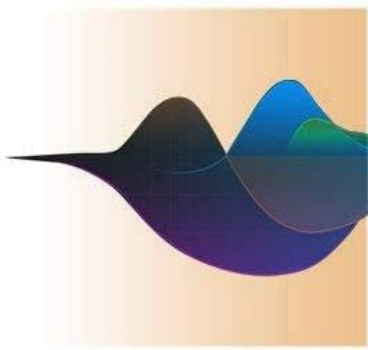

Figure 3: Illustration showing how to properly insert the soft earplugs for optimal fit and noise reduction.

4.2 In-line Control Functions

The in-line control unit allows for easy management of music playback and calls.

Soft Gummy Earplugs Noise Reduction

Super soft and smaller earplugs fit for long time wear

Figure 4: Diagram illustrating the functions of the in-line control buttons, including volume, track navigation, play/pause, and call management.

Control Button Functions

Button/Action	Function
Multi-function Button (Center)	<ul style="list-style-type: none"> • One Click: Play/Pause music, Answer/End call • Double Click: Dial last dialed number • Long Press (2-3 seconds): Reject call, Power On/Off

Block Out Background Noise

Figure 5: Image demonstrating the noise reduction capability of the in-ear earplug design, showing how it effectively blocks out external sounds.

5. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Goojodoq Bluetooth Sleep Headphones, please follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earbuds and neckband with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tangling the cables.
- **Water Resistance:** While designed for sports and exercise, these headphones are not fully waterproof. Avoid submerging them in water or exposing them to heavy rain.
- **Charging:** Use only the provided USB charging cable. Avoid overcharging the battery.
