PHI VILLA 32" Round for 2

PHI VILLA 32-inch Round Cast Aluminum Bistro Dining Table User Manual

1. Introduction

This manual provides essential information for the assembly, operation, maintenance, and safety of your PHI VILLA 32-inch Round Cast Aluminum Bistro Dining Table. Please read these instructions carefully before assembly and use to ensure proper function and longevity of your product.

This image displays the PHI VILLA 32-inch Round Cast Aluminum Bistro Dining Table, showcasing its design and size suitable for outdoor patio use. It features a decorative frosted surface and sturdy cast aluminum construction.

2. Product Features

- **High Quality Cast Aluminum:** Durable strong legs and top and cast aluminum frame make it rustproof and weather-proof for outdoor use, ensuring years of enjoyment.
- **Table Design:** The table top features a beautiful hollowed pattern and special edged design, complemented by minimalist legs.
- **Special Design:** The cast aluminum table top with its integrated pattern design and strong legs is built for long-term outdoor use.
- **Table Dimension:** Diameter 32 inches x Height 29 inches, with an umbrella hole of 1.7 inches. Color: Brown.

3. Assembly Instructions

Assembly is required for this product. Please ensure all parts are present before beginning. Refer to the included hardware pack for specific fasteners.

Recommended Tools:

- Allen Key (usually included)
- Hammer (optional, for gentle tapping if needed)
- Screwdriver (optional, for specific fasteners)

General Assembly Steps:

1. Carefully unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Attach the table legs to the underside of the tabletop using the provided hardware. Do not fully tighten screws at this stage.
3. Connect any cross-braces or support rings between the legs, again, loosely tightening the fasteners.
4. Once all components are aligned and attached, gradually tighten all screws until secure. Avoid over-tightening.
5. Ensure the table is stable and level. Adjust leg levelers if necessary.

This image provides the key dimensions of the table: 32 inches in diameter and 29 inches in height, including the 1.7-inch umbrella hole. These measurements are crucial for planning placement and ensuring compatibility with other patio furniture.

4. Usage Guidelines

This PHI VILLA table is designed for outdoor dining and general patio use. Its cast aluminum construction makes it suitable for various weather conditions.

- The central hole is designed to accommodate a standard patio umbrella (1.7-inch diameter). Ensure the umbrella is securely fastened and balanced to prevent tipping, especially in windy conditions.
- Do not exceed the table's weight capacity. Avoid placing excessively heavy objects on the tabletop.
- Position the table on a flat, stable surface to prevent wobbling.

A close-up view of the table's decorative frosted surface, highlighting the intricate pattern and the central umbrella hole. Beverages and flowers are placed on the table, demonstrating its use for outdoor dining and decor.

5. Care and Maintenance

To maintain the appearance and extend the life of your cast aluminum table, follow these care instructions:

- **Cleaning:** Wipe the table regularly with a soft cloth and mild soap and water. Rinse thoroughly with clean water and dry completely to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong detergents, as these can damage the finish.
- **Rust Prevention:** While cast aluminum is rust-resistant, regular cleaning and inspection for any chips or scratches in the finish can help prevent corrosion. Touch up any damaged areas with appropriate outdoor paint if necessary.
- **Winter Storage:** In harsh winter climates, consider covering the table with a weather-resistant cover or storing it indoors to protect it from extreme conditions.

This image offers a detailed look at the unique pattern design on the cast aluminum tabletop, emphasizing the craftsmanship and aesthetic appeal of the frosted surface.

6. Troubleshooting

If you encounter any issues with your PHI VILLA bistro table, please refer to the following common solutions:

- **Wobbling Table:** Ensure all assembly screws are tightened evenly. Check if the table is on a level surface. Many outdoor tables have adjustable feet; adjust them to stabilize the table.
- **Missing Parts:** If any parts are missing upon arrival, please contact customer service immediately.
- **Rust or Damage:** While designed to be rust-resistant, prolonged exposure to harsh elements without proper care can lead to issues. For significant rust or damage, contact customer service.

7. Specifications

Attribute	Detail
Brand	PHI VILLA
Product Dimensions	32"D x 32"W x 29"H
Item Weight	5 Pounds
Frame Material	Cast Aluminum
Color	Brown
Shape	Round
Table Design	Dining Table
Style Name	Minimalist
Furniture Finish	Aluminum
Top Color	Brown
Included Components	1 x Round Table
UPC	720355881207
ASIN	B07MQYQ3LZ
