Modway MOD-5840-BEI

Modway Amelia Tufted Fabric Upholstered Queen Platform Bed

MODEL: MOD-5840-BEI

Instruction Manual

1. Product Overview

The Modway Amelia Queen Platform Bed offers a blend of chic style and contemporary charm, designed to refresh any bedroom space. This bed features a soft polyester fabric upholstery and a timeless button-tufted headboard. Its construction includes solid wood and LVL (Laminated Veneer Lumber) for durability, complemented by sturdy wood legs with non-marking caps. Reinforced center beams provide maximum stability, ensuring compatibility with memory foam, spring, latex, and hybrid mattresses. A box spring is required for proper mattress support (not included).

2. Product Features

- **Tufted Headboard:** Features gentle curves and button-tufted detailing, enhancing bedroom decor.
- **Upholstered Frame:** Covered in soft polyester fabric with foam-padded side rails and headboard for comfort.
- **Sturdy Construction:** Crafted with solid wood and plywood for a stable and durable bed frame.
- **Slatted Support System:** Includes durable wood slats designed to support a box spring and various mattress types.
- **High Weight Capacity:** Supports up to 800 lbs.

3. Components List

Before assembly, ensure all components are present and undamaged. Unpack all parts from the headboard compartment.

- Headboard (1)
- Side Rails (2)
- Footboard (1)
- Support Legs (various sizes, quantity may vary)
- Wood Slats (multiple)
- Hardware Pack (bolts, washers, nuts, Allen wrench)

4. Setup and Assembly Instructions

Assembly is required for this product. It is recommended to have two people for assembly. Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.

1. **Attach Side Rails to Headboard:** Align the side rails with the pre-drilled holes on the headboard.

Secure them using the provided bolts, washers, and the Allen wrench. Do not fully tighten bolts until all connections are made.

2. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard, aligning holes and securing with hardware. Ensure the frame is square before fully tightening all bolts.
3. **Install Center Support Beam and Legs:** Attach any central support beams and their corresponding legs to the frame as indicated in the specific assembly diagram (not provided here, refer to included manual).
4. **Place Wood Slats:** Distribute the wood slats evenly across the bed frame. Secure them to the side rails using the provided screws or clips. Ensure slats are firmly in place to provide adequate support.
5. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws.

Important: A box spring is required for use with this bed frame to ensure proper mattress support and longevity.

5. Usage Guidelines

- Ensure the bed is placed on a level surface to prevent wobbling or instability.
- Do not exceed the maximum weight capacity of 800 lbs.
- Regularly check and tighten all hardware to maintain structural integrity.
- Avoid jumping on the bed, as this can damage the frame and slats.

6. Maintenance and Care

- **Fabric Upholstery:** Spot clean fabric upholstery with a mild detergent and warm water. Blot gently; do not rub vigorously. Allow to air dry completely.
- **Wood Components:** Dust wood components regularly with a soft, dry cloth. Avoid using abrasive cleaners or excessive moisture, which can damage the wood finish.
- **General:** Keep the bed away from direct sunlight and heat sources to prevent fading or material degradation.

7. Specifications

Brand	Modway
Model Number	MOD-5840-BEI
Product Dimensions	86.5" L x 64.5" W x 47.5" H
Size	Queen
Color	Beige
Upholstery Fabric Type	Polyester
Frame Material	Solid Wood, LVL
Weight Limit	800 Pounds
Assembly Required	Yes
Box Spring Required	Yes (not included)
