## SETUP

---

Follow these steps to prepare your game for play:

1. **Unfold the Gameboard:** Place the gameboard on a flat surface.
2. **Separate Cards:** Shuffle the Royal Decree cards and place them face down on their designated space on the board. Do the same for the Family Chest cards. Keep the Title Deed cards organized by color set.
3. **Choose a Banker:** One player is selected to be the Banker. The Banker is responsible for all money, Title Deeds, Village Dwellings, and Castles not yet owned by players. The Banker also collects taxes and fines, and pays salaries and bonuses.
4. **Distribute Money:** Each player receives a starting amount of money from the Banker. Refer to the Game Guide for specific starting amounts.
5. **Select Character Tokens:** Each player chooses one of the 6 character tokens (Elsa, Anna, Hans, Kristoff, Olaf, or Sven) and places it on the 'GO' space.
6. **Place Village Dwellings and Castles:** Keep the Village Dwellings and Castles near the board, ready for purchase and placement on properties.
7. **Snowflake Token:** Place the Snowflake token near the board, accessible to all players.

## GAMEPLAY

---

The objective of Monopoly: Disney Frozen 2 Edition is to be the last player remaining with money when all other players have gone bankrupt. Players move around the board, buying and developing properties, collecting rent, and navigating special spaces.

### Taking a Turn

On your turn, roll both dice and move your token clockwise around the board the number of spaces indicated. The action you take depends on the space you land on.

### Special Game Features

- **Properties:** The properties on the board are scenes from the Disney Frozen 2 movie and come in color sets. When you land on an unowned property, you may buy it. If you land on an owned property, you must pay rent to the owner. Owning all properties in a color set allows you to build Village Dwellings and Castles, significantly increasing rent.
- **Royal Decree & Family Chest Cards:** Landing on these spaces requires you to draw a card and follow its instructions. These cards can provide money, move your token, or introduce other game-changing events.
- **Element Spaces:** Instead of railroads, this edition features four Element spaces: Water, Earth, Fire, and Wind. If you land on an Element space, you travel ahead to the next Element space.
- **Snowflake Spaces:** If a player lands on a Snowflake space or draws a certain Royal Decree or Family Chest card, they can activate Elsa's epic powers. To do this, share a favorite family memory. After sharing, you can place the Snowflake token on any property you own. Whoever lands on that property next has to pay double rent. The Snowflake token is then returned to the general supply.
- **Taxes:** Land on a 'Disaster Tax' or 'Water Tax' space and you must pay the bank the amount shown on the space.

### Winning the Game

The game ends when all but one player has gone bankrupt. The last player with money wins the game!

## MAINTENANCE

---

- **Cleaning:** Wipe the game board and plastic components with a dry, soft cloth if they become dusty. Avoid using harsh chemicals or abrasive cleaners.
- **Handling:** Handle cards and money carefully to prevent bending, tearing, or creasing.
