vidaXL 142999

vidaXL Freestanding Ceramic Basin with Pedestal - Model 142999 Instruction Manual

Brand: vidaXL | Model: 142999

1. PRODUCT OVERVIEW

Thank you for choosing the vidaXL Freestanding Ceramic Basin with Pedestal. This elegant and modern basin is designed to complement any bathroom, toilet, or cloakroom. Crafted from glazed ceramic, it offers durability and ease of cleaning. This manual provides essential information for the safe installation, proper use, and maintenance of your new basin.

Note: The faucet and drain are not included with this product and must be purchased separately.

2. SAFETY INFORMATION

- Read all instructions carefully before installation and use.
- Handle ceramic components with care to prevent chipping or breakage.
- Ensure the installation surface is level and structurally sound to support the weight of the basin and pedestal.
- Professional installation by a qualified plumber is recommended to ensure proper water connections and drainage.
- Always turn off the main water supply before beginning any plumbing work.
- Comply with all local plumbing and building codes during installation.
- Do not use abrasive cleaners or harsh chemicals on the ceramic surface, as this may damage the glaze.

3. PACKAGE CONTENTS

Please check that all components are present and undamaged before proceeding with installation.

- 1 x Ceramic Basin

- 1 x Ceramic Pedestal

Note: Faucet, drain, and mounting hardware are not included.

4. SETUP AND INSTALLATION

This section outlines the steps for installing your freestanding ceramic basin. Ensure you have all necessary tools and additional components (faucet, drain, sealant) before starting.

4.1 Required Tools (Not Included):

- Adjustable wrench
- Screwdriver set
- Drill (if wall mounting is required for stability)
- Level
- Measuring tape
- Silicone sealant (bathroom grade)
- Safety glasses and gloves

4.2 Installation Steps:

1. **Prepare the Area:** Ensure the installation area is clean, dry, and level. Turn off the main water supply.
2. **Position the Pedestal:** Carefully place the ceramic pedestal in the desired location. Ensure it is stable and level.
3. **Place the Basin:** Gently lower the ceramic basin onto the pedestal, aligning the drain hole and faucet hole with the corresponding openings. Ensure the basin sits securely on the pedestal.
4. **Install Faucet and Drain:** Install your chosen faucet into the 35 mm diameter faucet hole and the drain assembly into the 45 mm diameter drain hole. Follow the manufacturer's instructions for these components. Ensure all connections are watertight using appropriate seals and plumber's putty or silicone.
5. **Connect Water Supply:** Connect the hot and cold water supply lines to the faucet. Tighten all connections securely, but do not overtighten.
6. **Connect Drain:** Connect the drain assembly to your existing plumbing waste pipe. Ensure a tight, leak-free connection.
7. **Seal (Optional but Recommended):** Apply a bead of bathroom-grade silicone sealant around the base of the pedestal where it meets the floor, and where the basin meets the wall (if applicable) to prevent water ingress and provide additional stability.
8. **Test for Leaks:** Slowly turn on the main water supply. Check all connections for leaks. Run water through the faucet and observe the drain for any signs of leakage.

Figure 2: Product dimensions for installation planning. Basin: 520 x 440 x 190 mm (W x D x H). Pedestal: 180 x 170 x 670 mm (W x D x H).

Figure 3: Detail of the 35 mm faucet hole and 45 mm drain hole with overflow.

5. OPERATING INSTRUCTIONS

Once installed, the vidaXL Freestanding Ceramic Basin operates like any standard bathroom sink.

- Use the faucet to control water flow and temperature.
- The basin is equipped with an overflow to prevent accidental spills if the drain is closed and the water level rises too high.
- Ensure the drain stopper (if installed with your drain assembly) is functioning correctly to retain or release water as needed.

6. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your ceramic basin.

- **Cleaning:** Wipe the basin and pedestal with a soft, damp cloth and a mild, non-abrasive cleaner. For best results, wipe dry with a clean cloth after cleaning to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive powders, scouring pads, or cleaners containing strong acids, alkalis, or bleach, as these can damage the ceramic glaze.

- **Prevent Stains:** Promptly clean up any spills, especially those from cosmetics, hair dyes, or other staining agents, to prevent permanent discoloration.
- **Inspect Regularly:** Periodically check all plumbing connections for any signs of leaks or corrosion. Address any issues promptly to prevent water damage.

7. TROUBLESHOOTING

If you encounter any issues with your basin, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Water Leakage	Loose plumbing connections, faulty seals, damaged drain/faucet.	Tighten connections. Replace worn seals or damaged components. Consult a plumber if necessary.
Slow Drainage	Clogged drain, improper drain installation.	Clear the drain of debris (hair, soap scum). Check drain assembly for obstructions or incorrect alignment.
Basin Instability	Uneven floor, improper pedestal placement, lack of sealant.	Ensure the floor is level. Re-position the pedestal. Apply silicone sealant around the base for added stability.

If the problem persists after attempting these solutions, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	vidaXL
Model Number	142999
Material	Glazed Ceramic
Color	White
Basin Dimensions (W x D x H)	520 x 440 x 190 mm (20.5" x 17.3" x 7.5")
Pedestal Dimensions (W x D x H)	180 x 170 x 670 mm (7.1" x 6.7" x 26.4")
Overall Dimensions (W x D x H)	520 x 440 x 860 mm (20.5" x 17.3" x 33.9") (<i>Basin height + Pedestal height - overlap</i>)
Drain Hole Diameter	45 mm (1.77")
Faucet Hole Diameter	35 mm (1.38")
Installation Type	Freestanding
Features	Integrated overflow
Weight	25.19 kg (55.5 lbs)

9. WARRANTY INFORMATION

This vidaXL product is covered by a manufacturer's warranty against defects in materials and workmanship. The specific terms and duration of the warranty may vary by region and product. Please retain your proof of purchase

for warranty claims. For detailed warranty information, refer to the documentation provided with your purchase or visit the official vidaXL website.

10. CUSTOMER SUPPORT

Should you require assistance with installation, troubleshooting, or have any questions regarding your vidaXL Freestanding Ceramic Basin, please contact vidaXL customer support.

- **Online Support:** Visit the official vidaXL website for FAQs, support articles, and contact forms.
- **Contact Information:** Refer to your purchase documentation for specific customer service phone numbers or email addresses in your region.

When contacting support, please have your product model number (142999) and proof of purchase readily available.
