## SETUP

- 1. Unpack Components:** Carefully remove all cards and game rules from the packaging.
- 2. Separate Card Types:** Separate the 55 Connect 4 Tiles from the 24 Mission Cards.
- 3. Shuffle Decks:** Shuffle each deck of cards (Connect 4 Tiles and Mission Cards) thoroughly.
- 4. Place Decks:** Place the shuffled Connect 4 Tile deck face down in the center of the playing area. Place the shuffled Mission Card deck face down next to it.
- 5. Player Seating:** Players should sit around the playing area where all cards are easily accessible.

## OPERATING (How to Play)

The Connect 4 Card Game is designed for 2-4 players, ages 6 and up. The objective is to be the first player to complete four of your colored discs in a row, either horizontally, vertically, or diagonally, by playing cards that match mission requirements.

### Game Flow:

- 1. Deal Cards:** Each player draws a starting hand of Connect 4 Tile cards (refer to the specific game rules included in the package for exact hand size).
- 2. Draw Mission Card:** On their turn, a player draws one Mission Card.
- 3. Complete Mission:** The player attempts to complete the mission on the drawn card by playing Connect 4 Tile cards from their hand. Missions typically involve playing specific colors or patterns of discs.
- 4. Place Discs:** Once a mission is completed, the player places the corresponding Connect 4 Tile cards

onto their personal playing area, attempting to form a line of four.

5. **Draw New Tiles:** After completing a mission or if unable to complete one, the player draws new Connect 4 Tile cards to replenish their hand (again, refer to included rules for specifics).
6. **End of Turn:** The turn passes to the next player.

## Winning the Game:

The first player to successfully create a line of four of their colored discs (horizontally, vertically, or diagonally) using the Connect 4 Tile cards they have played wins the game.

*For detailed rules, including specific mission card instructions and variations, please consult the game rules sheet provided within your product packaging.*

## MAINTENANCE

- **Storage:** Store all cards and game rules back in their original packaging or a suitable card game box to prevent loss or damage. Keep in a cool, dry place away from direct sunlight.
- **Cleaning:** If cards become dirty, gently wipe them with a dry, soft cloth. Avoid using water or chemical cleaners, as these can damage the card material.
- **Handling:** Handle cards with clean, dry hands to prolong their lifespan and maintain their condition.

## TROUBLESHOOTING

- **Missing Components:** If any components are missing upon opening the package, please contact Hasbro Gaming customer support.
- **Unclear Rules:** If any rule is unclear, refer to the official game rules sheet provided. Online resources or community forums for Hasbro Gaming may also offer clarifications.
