## Linenspa LS30FF30GT

# Linenspa Memory Foam Mattress Topper User Manual

Model: LS30FF30GT

## PRODUCT OVERVIEW

---

The Linenspa Gel Infused Memory Foam Mattress Topper is designed to enhance the comfort and support of your existing mattress. It features plush memory foam that conforms to your body's contours, relieving pressure points. The gel infusion helps to regulate temperature, providing a cooler sleep surface.

This topper is available in 2-inch and 3-inch profiles and is CertiPUR-US Certified, ensuring high-quality materials and safety.

## SETUP INSTRUCTIONS

---

1. **Unpack the Topper:** Carefully remove the mattress topper from its packaging. The topper is compressed and rolled for shipping.
2. **Unroll and Position:** Place the compressed topper on a flat, clean surface, preferably directly on your mattress. Unroll the topper.
3. **Allow for Expansion:** The memory foam topper will begin to expand immediately. Allow **24 to 48 hours** for the topper to fully expand and for any new foam odor to dissipate. This expansion time is crucial for the topper to reach its intended size and plushness.

## OPERATING INFORMATION

Once fully expanded, the Linenspa Memory Foam Mattress Topper is ready for use. Simply place it on top of your existing mattress. A standard fitted sheet can be used to secure both the topper and your mattress.

### Key Features:

- **Pressure Relief:** The memory foam conforms to your body's natural curves, distributing weight evenly and reducing pressure points for enhanced comfort.
- **Cooling Gel Infusion:** Integrated gel beads help to dissipate heat, promoting a cooler and more comfortable sleep environment.
- **Profile Options:** Available in 2-inch and 3-inch thicknesses to suit individual comfort preferences.

Cool gel infusions help regulate temperature while you sleep

## CARE AND MAINTENANCE

---

Proper care will extend the life of your Linenspa Memory Foam Mattress Topper.

- **Cleaning:** The mattress topper should be **hand washed only**. Do not machine wash or dry clean. Spot clean with mild soap and water as needed.
- **Drying:** Allow the topper to air dry completely in a well-ventilated area, away from direct sunlight or heat sources. Ensure it is fully dry before placing it back on your bed.
- **Protection:** Using a mattress protector or fitted sheet over the topper is recommended to keep it clean and protected from spills and stains.

## TROUBLESHOOTING

---

| Problem                    | Possible Cause                                      | Solution                                                                                                               |
|----------------------------|-----------------------------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Topper not fully expanding | Insufficient time for expansion; cold environment.  | Allow up to 48 hours for full expansion. Ensure room temperature is comfortable (around 70°F / 21°C) to aid expansion. |
| New foam odor              | Common with new memory foam products (off-gassing). | The odor is harmless and will dissipate. Air out the topper in a well-ventilated room for 24-48 hours before use.      |
| Topper feels too warm      | Body heat retention; high room temperature.         | While gel-infused, memory foam can retain some heat. Ensure your room is cool. Consider using breathable bedding.      |
| Topper sliding on mattress | Lack of friction between topper and mattress.       | Use a fitted sheet that covers both the topper and the mattress to hold it in place.                                   |

## SPECIFICATIONS

---

**Brand:** Linenspa

**Model Name:** Linenspa 3 Inch Memory Foam Mattress Topper, Gel Infused Full Mattress Topper

**Model Number:** LS30FF30GT

**Size (Full):** 74 x 52.5 x 3 inches (Length x Width x Thickness)
