CalExotics 68443

CalExotics Optimum Series Get Hard Head Pump Set Instruction Manual

Model: SE-1041-08-3

INTRODUCTION

Thank you for choosing the CalExotics Optimum Series Get Hard Head Pump Set. This device is designed for adult use as a non-medical pleasure device. It features a high-tech, fully automatic pump with easy-to-use pressure control, auto start, and quick air release buttons. The self-contained, wireless design includes two removable donuts for a superior seal, three ascending levels of suction power, and five independent functions of powerful vibration. The soft vibrating contact pad includes added pleasure ticklers and a flanged base for a secure seal.

Please read this manual thoroughly before first use to ensure proper operation and care.

SAFETY INFORMATION

- This device is for adult use only.
- This is a non-medical pleasure device and is not intended for medical use.
- Discontinue use immediately in the event of any medical condition, discomfort, or pain. Consult a healthcare professional if discomfort persists.
- Keep out of reach of children.

SETUP

1. Battery Installation

The device requires 3 AAA batteries (not included). To install the batteries:

1. Locate the battery compartment on the handle of the device.
2. Twist or slide open the battery compartment cover.
3. Insert 3 AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Securely close the battery compartment cover.

2. Attaching the Donuts (Sleeves)

The set includes two removable donuts (sleeves) for enhanced comfort and a superior seal. These can be used or removed based on preference.

1. Select the desired donut size.
2. Gently stretch and fit the donut over the opening of the cylinder, ensuring a snug and secure fit.

Video: An instructional video demonstrating the operation of the CalExotics Optimum Series Get Hard Head Pump Set, including button functions for vibration, suction, and air release.

1. Vibration Functions

- **To Turn On/Off Vibrations:** Press and hold the **top button** (wave symbol) for 3 seconds.
- **To Cycle Through Functions:** Once vibrations are on, press the **top button** repeatedly to cycle through the 5 independent vibrating functions.
- The device features a soft vibrating contact pad with added pleasure ticklers for enhanced sensation.

2. Suction Functions

- **To Turn On/Off Suction:** Press and hold the **bottom button** (plus/minus symbol) for 3 seconds.
- **To Cycle Through Levels:** Once suction is on, press the **bottom button** repeatedly to cycle through the 3 ascending levels of suction.

3. Air Release

- **To Incrementally Release Pressure:** Tap the **middle button** (circle with arrow).
- **To Release All Pressure:** Press and hold the **middle button** for 3 seconds.

MAINTENANCE

Cleaning

Proper cleaning ensures hygiene and extends the life of your device.

1. Always clean the device before first use and after each subsequent use.
2. Remove any sleeves or attachments.
3. Wash the device thoroughly with warm water and a mild, toy-safe soap or a specialized toy cleaner.
4. Rinse thoroughly to remove all soap residue.
5. Pat dry with a lint-free cloth or allow to air dry completely before storing.
6. Do not submerge the electronic components in water.

Storage

- Store the device in a clean, dry place away from direct sunlight and extreme temperatures.
- Keep it separate from other toys made of different materials to prevent material degradation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Batteries are dead or incorrectly installed.	Replace batteries with new AAA batteries, ensuring correct polarity.
Weak vibration or suction.	Low battery power.	Replace batteries with new AAA batteries.
Difficulty achieving a seal.	Donut (sleeve) not properly positioned or incorrect size.	Adjust the donut for a better fit. Ensure skin contact is smooth and free of obstructions. Use a water-based lubricant to aid in sealing.

SPECIFICATIONS

- **Model Number:** 68443 (SE-1041-08-3)
- **Brand:** CalExotics
- **Product Dimensions:** 3.25 x 4.5 x 11 inches
- **Item Weight:** 15.2 ounces
- **Material:** Silicone
- **Power Source:** 3 AAA batteries (not included)
- **Vibration Functions:** 5 independent functions

- **Suction Levels:** 3 ascending levels
