SETUP GUIDE

1. Charging the Speaker

1. Connect the Micro USB charging cable to the speaker's charging port.
2. Plug the other end of the cable into a compatible USB power adapter (not included) or a computer's USB port.
3. The charging indicator light will illuminate. Once fully charged, the light may change color or turn off, depending on the model.

2. Powering On/Off

- To power on, press and hold the Power button on the control panel.
- To power off, press and hold the Power button again.

3. Connecting the Wired Microphone

- Insert the microphone cable into the MIC input jack on the speaker's control panel.
- Ensure the ON/OFF switch on the microphone is set to 'ON' for operation.

4. Bluetooth Pairing

1. Power on the speaker. It will automatically enter Bluetooth pairing mode, indicated by a flashing Bluetooth light or an audible prompt.
2. Enable Bluetooth on your mobile device (smartphone, tablet, etc.).
3. Search for available Bluetooth devices and select "ZOOOK THUNDER 2" from the list.
4. Once paired, the speaker will emit a confirmation sound, and the Bluetooth indicator light will become solid.

OPERATING INSTRUCTIONS

1. Mode Selection

- Press the 'MODE' button on the control panel or remote to switch between Bluetooth, FM Radio, AUX, USB, and TF card modes.

2. Bluetooth Mode

- After successful pairing, play audio from your connected device.
- Use the speaker's volume knob or your device's volume controls to adjust the sound level.
- Use the 'Previous/Next Track' buttons on the speaker or remote to navigate songs.

3. Karaoke Function

- Ensure the wired microphone is connected and powered on.
- Adjust the microphone volume using the dedicated 'MIC VOL' knob (if available) or the main volume control.
- To add an echo effect, use the 'ECHO' knob to control the intensity.

4. FM Radio Mode

1. Switch to FM mode using the 'MODE' button.
2. Press and hold the 'Play/Pause' button to initiate an automatic station scan. The speaker will save available stations.
3. Use the 'Previous/Next Track' buttons to switch between saved FM stations.

5. USB/TF Card Playback

1. Insert a USB flash drive or TF (MicroSD) card into the respective port.
2. The speaker will automatically switch to USB/TF mode and begin playing audio files.
3. Use the 'Previous/Next Track' and 'Play/Pause' buttons to control playback.

6. Recording Function

- Ensure a USB drive or TF card is inserted.

- Press the 'REC' button to start recording microphone input.
- Press 'REC' again to stop recording. The recording will be saved to the inserted storage device.

7. DJ Lights Control

- Press the 'ON/OFF LED' button on the control panel to toggle the flashing DJ lights on or off.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the speaker's exterior. Avoid using harsh chemicals or abrasive cleaners.
- **Battery Care:** To prolong battery life, fully charge the speaker before first use and recharge it regularly, even if not in frequent use. Avoid completely draining the battery.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Exposure:** This speaker is not waterproof. Avoid exposure to water or high humidity.

TROUBLESHOOTING

- **No Power:** Ensure the speaker is charged. Connect the charging cable and allow it to charge for a period before attempting to power on.
- **No Sound:** Check the volume levels on both the speaker and your connected device. Ensure the correct input mode is selected.
- **Microphone Not Working:** Verify the microphone is securely plugged into the MIC input and its ON/OFF switch is in the 'ON' position. Adjust the microphone volume knob.
- **Bluetooth Connection Issues:** Ensure the speaker is in Bluetooth pairing mode. Turn off and on Bluetooth on your device, then try re-pairing. Keep devices within the effective Bluetooth range.
- **Poor FM Reception:** Extend the antenna fully. Try repositioning the speaker to improve signal reception.
